IV.	Council Principles, Policies, and Procedures	125

I. INTRODUCTION

ALBERTA COUNCIL ON ADMISSIONS AND TRANSFER

The Alberta Council on Admissions and Transfer, established in 1974 as an independent body which reports annually to the Minister of Advanced Education, is responsible for developing policies, guidelines, and procedures designed to facilitate transfer arrangements among post-secondary institutions. The framework for these admissions and transfer arrangements is contained in the Council's Principles, Policies, and Procedures, published in Section IV of this Alberta Transfer Guide.

The Council plays an active role in the implementation of these policies through monitoring, mediation, and research. The Council has a continuing responsibility for facilitating improvement in communications and working relationships among institutions regarding the admission of transfer students and the award of transfer credit. The basic objective of the Council is the enlargement of educational opportunities for students.

In 1986 the Council was restructured to provide appointments for representatives from additional sectors within the system of post-secondary education as well as members at large. The 14-member Council now includes the Chairman and representatives from the public, students, the universities, public colleges and technical institutions, the provincially administered institutions, the hospital schools of nursing, and the affiliated private colleges.

The Council's terms of reference direct it to publish an annual compilation of all existing admissions policies and transfer arrangements within the Alberta system of post-secondary education. The first edition of the Alberta Transfer Guide was published for the academic year 1976-77 and has been revised annually. Thus, an important activity of the Alberta Council on Admissions and Tranfer continues to be the publication and distribution of the annual Alberta Transfer Guide. This publication is the **official statement** of transfer arrangements duly negotiated and approved by post-secondary institutions in this province. It has been established both within and outside Alberta as a useful transfer document, and is considered indispensable for transfer operations within the province. It is, moreover, broadly used by other jurisdictions in support of Alberta students transferring there, and more generally as information about the kinds of transfer arrangements developed in this province with the support of the Alberta Council on Admissions and Transfer.

Notwithstanding transfer agreements included herein, resource and other limitations may in some cases preclude the admission of transfer students on the same basis as students already registered in the receiving institution. Further details are available from the Registrar of the receiving institution.

USE OF THE ALBERTA TRANSFER GUIDE

The organization of this, the twelfth edition of the Transfer Guide, reflects changes adopted by the recently restructured Alberta Council on Admissions and Transfer which are intended to simplify the use of the Guide. Section II contains institutional statements on Admission Policies and related information for transfer students. These brief summary statements, which were provided to the Council by each institution, are arranged alphabetically by institution. Section III lists transfer arrangements for each sending institution. Here, too, the sending institutions are presented in alphabetical order. For each sending institution there may be up to four transfer information components: (1) a list of programs transferable to degree-granting institutions, (2) a list of courses transferable to degree-granting institutions, (3) a list of programs transferable to non-degree-granting institutions, and (4) a list of courses transferable to non-degree-granting institutions. Section IV presents a statement of transfer principles as developed by the Alberta Council on Admissions and Transfer, together with an explanation of the Council's role and the policies and procedures under which it operates. A chart showing the Alberta post-secondary system is found on page ii.

It should be noted that:

(1) **The information presented in this Transfer Guide is the most recent available as of April 1, 1987.** This information is, in most instances, current. However, since negotiations among institutions are continuous and ongoing, there will undoubtedly be some instances in which listings are obsolete or incomplete. Registrars in the institutions should be contacted where questions arise.

(2) **The Alberta Transfer Guide is not a cumulative record of changes in courses or transfer credits.** It applies only to the academic year for which it is published and reflects courses and programs published in the institutional calendars for that academic year. Therefore, persons using the Transfer Guide may need to consult the edition of the Transfer Guide for the year in which the particular course or program was completed.

(3) When assessing students' transcripts, the assessor should consult the edition of the Transfer Guide corresponding to the year in which a given course was taken. Where questions arise, the Registrar's office at the sending institution should be consulted.

(4) **Informal transfer arrangements are possible on an individual basis.** These involve assessment by the receiving institution of an individual student's program, past performance, and the requirements of the program which the student wishes to enter. **Students seeking special consideration are advised to consult with the registrars at both their present institution and at the institution to which they propose to transfer.**

(5) **Transfer arrangements specified in the Transfer Guide are dependent on the particular program a student wishes to enter. Where selection procedures are applicable, such procedures take precedence over the normal procedures.**

(6) Receiving institutions have specific admission and program requirements, which, in some cases, may affect admissibility and advance credit. Thus, **students are strongly advised to refer to Section II of this Transfer Guide, the particular institutional calendar, and the institution's Office of the Registrar in order to obtain more complete information.**

(7) Where **no entry** appears (that is, a blank space) in the column of a receiving institution in the program and course grid in **Section III Transfer Arrangements by Sending Institution** of the Alberta Transfer Guide, no formal transfer arrangement for that particular program or course is in effect between that sending and receiving institution at the time of printing.

EXPLANATION OF TERMS

Receiving institution — any post-secondary institution to which students are transferring.

Sending institution — any post-secondary institution **from** which students are transferring.

Course equivalent — a course for which credit is given by the receiving institution. Wherever possible, a specific course equivalent will be assigned by the receiving institution (e.g. English 123 = English 456).

Option — (a) When used in relation to a particular program of study, "option" refers to courses in that program which are not prescribed by the Faculty and in which the student is allowed a choice. This choice may either be confined to a particular discipline (e.g. History) or unrestricted from among all offerings ("open" option).

— (b) where no direct equivalent exists, an "option" in the discipline, preceded by an indication of level of study (junior, senior; 100, 200, 300 or 1000, 2000 or 3000) is awarded (e.g. Jr. History).

Elective — see Option.

Unassigned or unspecified — see Option.

APPLICABLE TIME PERIOD

The arrangements for transfer credit noted in this Transfer Guide apply to courses being taken during the academic year 1987 - 1988 (July 1, 1987 to June 30, 1988). Credits for courses taken previously are governed by the Transfer Guide for the year in which the courses were taken. Where a student continues in a program on a full-time basis, no problem should occur. However, where a student interrupts or spreads the program out over a longer period of time, some problems may be encountered if the program requirements have changed. A student seeking transfer under these circumstances should seek advice from the institution offering the program which the student wishes to enter in order to determine the current status of admissions requirements and advance credit.

INSTITUTIONAL REQUIREMENTS

Within the context of the policies and procedures of the Alberta Council on Admissions and Transfer, each institution has particular requirements and practices for admission of students and the award of transfer credit. These institutional requirements are summarized in Section II of this Transfer Guide. **Students who are planning to transfer are advised to refer to the appropriate institutional calendar and to consult with the Registrar's Office at the receiving institution.**

DISTRIBUTION OF THE ALBERTA TRANSFER GUIDE

Copies of the Transfer Guide are sent each year to the Registrar's Offices of all post-secondary institutions and the Guidance Counsellors in each high school in the province. The annual Alberta Transfer Guide may also be obtained free of charge from the following office:

Alberta Council on Admissions and Transfer
8th Floor, East Tower
11160 Jasper Avenue
Edmonton. Alberta
T5K 0L3

Phone: (403) 422-9021

II. ADMISSION POLICIES AND RELATED INFORMATION FOR TRANSFER STUDENTS

The following statements have been provided directly by institutions. Other specific institutional regulations are included in the respective institutional calendars.

Alberta College of Art

Admission Requirements

1. Entrance prerequisites for admission to Foundation year are:
   (a) an Alberta High School Diploma or equivalent
   (b) completion of Entrance Portfolio

2. Mature Students:
   (a) must be 18 years of age or older, and out of high school for more than one year. (Effective January 1988 the mature student age will raise to 21 years.)
   (b) must present documentation of successful completion of Grade 12 English or equivalent. (English 30 is recommended.)

3. Direct Entry/Advance Standing Applications:
   (a) must have completed a minimum of one year in an equivalent art program at a post-secondary institution.
   (b) must submit a portfolio of 35mm slides. Applicants for direct entry into Visual Communications program must submit a portfolio of 15 - 25 pieces of original art work. Contact the Registrar's Office for deadlines.

Transfer Policy

Up to a maximum of two years of advance credit will be granted on a course-by-course basis for work successfully completed at other post-secondary institutions, provided that it is appropriate to the student's program at the Alberta College of Art.

Further information regarding admission and transfer credit may be obtained from:

Office of the Registrar
Alberta College of Art
1407 - 14th Avenue, N.W.
Calgary, AB T2N 4R3

Phone: (403) 284-7600

Athabasca University

Athabasca University is dedicated to the removal of barriers that traditionally restrict access to and success in university-level studies, and to increasing equality of educational opportunities for adult Canadians regardless of their prior academic credentials. In common with all universities, Athabasca University is committed to excellence in teaching, research and scholarship, and to being of service to the general public. More specifically, Athabasca University has a general mandate from the Government of Alberta to provide university education in liberal and applied studies through self-study instructional materials, the provision of lecture courses in smaller centers and the use of various forms of educational technology in the delivery of educational experience.

Admission Requirements

Athabasca University has an open admissions policy. Effectively, this means there are no formal high school prerequisites for admission to the University. Applicants, however, must be at least eighteen years of age and residents of Canada. Past performance at other post-secondary institutions will not affect a student's admissibility to Athabasca University.

Credit Coordination

Athabasca University has a mandate to act as a credit-coordinating agency. For practical purposes, this means that:

1. Athabasca University will endeavour, as much as possible, to articulate its programs with those of other post-secondary institutions;
2. Athabasca University will give careful consideration to the awarding of transfer credit for university-level work or its equivalent, undertaken at a wide variety of post-secondary institutions;
3. In general, credit courses completed at other Alberta degree-granting institutions will be awarded as transfer credit where and when it is applicable to the student's Athabasca University degree or certificate program; and
4. Courses that are acceptable for transfer to one or more of the other three Alberta universities will be transferred to Athabasca University, **if appropriate to the student's degree program** with the exception of 100-level courses, which will be transferred on an individual basis only **and Business Administration courses** which are evaluated and added to this Guide under the terms of a specific arrangement.

Degree Programs

Athabasca University has established a Bachelor of General Studies (BGS) degree which is offered for individually designed educational programs without a residence requirement.

The Bachelor of Administration degree program has been designed for students who are interested in furthering their education in the field of management, who are working in management and are concerned with professional development or who wish to raise their qualifications for career advancement.

The Bachelor of Arts degree program has been designed to permit students to pursue programs in their own areas of interest within the Arts and Sciences and ensures at least some familiarity with several disciplines.

Transfer of Credit to Athabasca University

1. Any post-secondary courses considered for transfer credit must have been completed with a grade equivalent to Athabasca University's minimum passing grade of 60 per cent. This corresponds to a grade of two in a four-point scale, a grade of five on a nine-point scale, and a grade of "C" on the alphabet scale.
2. University transfer courses will generally be considered for transfer credit. Post-secondary courses which do not have university transfer status will be considered for credit on a limited basis where permitted within the student's degree program. All credit transferred to the Bachelor of Administration degree program must be university-level credit, university transfer credit or credit obtained through a degree-granting institution.
3. Six credits of preparatory courses (100-level) may be considered for transfer toward a first degree program at Athabasca University providing that an equivalent course was not completed at the senior matriculation level.
4. Credit will not be granted for individual field placement, practicums, professional seminars, work experience, life experiences, or elementary skills except when these are part of a complete professional certification.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Admissions Office
Athabasca University
Box 1000
Athabasca, AB T0G 2R0

Phone: (403) 675-6168

The Banff Centre

The Banff Centre is not a degree-granting institution nor does The Centre design its courses to specifically meet the requirements of other institutions. Rather, the programs of the Centre's School of Fine Arts are performance, creative or experimental oriented opportunities for participants at the professional or pre-professional level of development. Acceptance into Banff Centre programs or courses is done primarily on the basis of audition or adjudication of a creative body of work and on the recommendations of professionals in the field and not purely on the basis of academic achievement.

Camrose Lutheran College

Camrose Lutheran College has been authorized by the Government of Alberta under provisions of the Universities Act to grant the following degrees:

THREE-YEAR DEGREES

B.A. (General)

B.Sc. (General)

FOUR-YEAR DEGREES

B.A. (Special), with majors in Biological Sciences, English, History, Music, Psychology, and Religious Studies

B.Sc. (Special), with majors in Biological Sciences and Psychology.

Admission Requirements

Students may be admitted to the College on the basis of matriculation standing or on the basis of appropriate post-secondary studies, or as adult students. All students must demonstrate an adequate knowledge of written and spoken English as a prerequisite to admission. Applicants should consult the College Calendar for details concerning these requirements.

Transfer Policy

1. The basic principle of the College's transfer policy is that courses acceptable for credit at one or more of the four Alberta universities are normally transferable to Camrose Lutheran College, provided that they are appropriate to the student's degree program at the College.
2. Transfer credit will be granted for relevant and acceptable courses only if acceptable grades have been earned in them. The minimum acceptable grades for transfer courses are grades of 5 or equivalent in courses on the major, except that one grade of 4 is permitted, and grades of 4 or equivalent in other courses (using the 9-point grading system).
3. Degree programs at Camrose arise out of the liberal arts tradition. The maximum number of specialized professional courses is two full-course equivalents in a three-year (General) program and three full-course equivalents in a four-year (Special) program.
4. Transfer credits are limited by the College's residence requirement. Normally, the final five full-course equivalents for a three-year (General) degree or the final ten full-course equivalents for a four-year (Special) degree must be taken at Camrose Lutheran College.
5. Transfer credits may also be limited by other degree requirements, such as maximum numbers of junior courses and of repeated courses, as outlined in the College Calendar. Further information regarding admission and transfer credit may be obtained from:

The Director of Admissions
Camrose Lutheran College
4901 - 46 Avenue
Camrose, AB T4V 2R3

Phone: (403) 679-1100

Canadian Union College

Transfer Credit Policy

1. Advance credit may be granted for studies completed at other post-secondary institutions, provided that they are appropriate to the student's program at Canadian Union College.

2. For advance credit consideration, applicants must submit official transcripts from each college or university attended.
3. Students requesting advance credit are normally expected to complete a minimum of four full courses (or 12 semester credits) in residence before advanced credit will be entered on the transcript.
4. Advanced credits are limited by the residence requirement of the College.

Further information regarding admission and transfer credit may be obtained from:

Office of the Registrar
Canadian Union College
Box 430
College Heights, AB T0C 0Z0

Phone: (403) 782-3381

Concordia College

Admission Requirements

Admission to Concordia College depends upon successfully meeting the admission requirements as specified in the College Calendar for the various programmes of study. Generally a minimum overall average of 60% on the five appropriate Grade XII courses is required. Specific requirements are clearly outlined in the College Calendar.

Students who do not meet standard admissions requirements may be admitted to a first-year Matriculation Deficiency Programme.

Under the Adult Admission category students aged 21 years and over may be admitted under reduced requirements.

Transfer Policy

1. Advance credit will be granted for studies successfully completed at other post-secondary institutions, provided that they are appropriate to the student's programme at Concordia College.
2. For advance credit consideration, applicants must submit complete official transcripts of all prior post-secondary studies.
3. The minimum acceptable course grade for advance credit to be considered is a "4", or its equivalent, on the 9-point system.

Further information regarding admission and transfer credit may be obtained from:

Dean of Admissions
Concordia College
7128 Ada Boulevard
Edmonton, AB T5B 4E4

Phone: (403) 479-8481

Fairview College

Admission Regulations

Entrance requirements for each Fairview College program are outlined in the detailed program selections of the College Calendar. Applicants who do not possess the minimum admission requirements but are at least 18 years of age, have been out of school for at least one year and have personal or work experience relative to the intended program of study may be admitted on Adult Status. Applicants may be required to take skill appraisal examinations.

Advanced Credit

Advanced credit may be granted in some courses at Fairview College. Requests for advanced credit must be received before the beginning of the session in which the course is offered and must be approved by the Department Head. Official transcripts must be submitted in support of all requests for advanced credit.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Fairview College
Box 3000
Fairview, AB T0H 1L0

Phone: (403) 835-6605

Grande Prairie Regional College

Admission Regulations, General

1. High School diploma, or
2. Age of 18 years or older

Either of the above will secure admission to the College, but not necessarily direct entrance to the desired program. An applicant deficient in pre-requisites for a specific program will be admitted to an appropriate academic development or combined program.

Transfer Credit Regulations

Advance credit may be granted for studies completed at other post-secondary institutions so far as the courses completed are suitable to the program in which the candidate is enrolling, and in keeping with the academic regulations of the instructional division/department concerned. Official transcripts must be provided by the applicant. Direct inquiries to the Registrar.

Challenge Credit

In some courses an applicant may obtain credit by successfully challenging an examination set by the department concerned. Application must be made through the Office of the Registrar.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Grande Prairie Regional College
10762 - 106 Ave.
Grande Prairie, AB T8V 4C4

Phone: (403) 539-2918

Grant MacEwan Community College

Admission Regulations

Applicants to Grant MacEwan Community College must meet either Regular Admission Requirements (possess an Alberta high school diploma or its equivalent) or Mature Admission Requirement (be 18 years of age or over and out of school for at least one year). Certain programs have modified age requirements, and Nursing requires successful completion of a selected range of grade XII courses, as do transfer patterns within General Arts and Science. All applicants must complete an appraisal of their writing and reading skills (for some programs, other skills as well) to ensure that they are equipped for College programs.

Transfer Credit Regulations

1. Any student who at the post-secondary level has completed the equivalent of a subject offered by Grant MacEwan Community College may request transfer credit in that subject.
2. Transfer credit may be given for experience in a particular field.
3. Transfer credit shall not normally exceed 50% of the total credits required for graduation from any certificate or diploma program at Grant MacEwan Community College.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Grant MacEwan Community College
Box 1796
Edmonton, AB T5J 2P2

Phone: (403) 483-2335

Keyano College

1. Advance credit may be granted to applicants who have completed equivalent studies at a post-secondary Canadian institution.
2. For advanced credit consideration, applicants must submit official transcripts of their total post-secondary training. See College Calendar.
3. The appropriate Chairman within Keyano College will determine the credit to be granted and advise the Registrar. The Registrar will communicate with the applicant.
4. Advance credits are awarded only to the extent that they fit the program in which the applicant is enrolling, and are valid only if the student completes at least half the program at Keyano College.
5. All transfer of credit shall be governed by the applicable Academic Regulations.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Keyano College
8115 Franklin Ave.
Fort McMurray, AB T9H 2H7

Phone: (403) 791-4800

The King's College

The King's College has been authorized by the Government of Alberta under provisions of the Universities Act to grant a three-year Bachelor of Arts degree. The College also offers courses in a number of areas for transfer into programs at other colleges and universities.

Admission Requirements

The College admits students with a 60 percent average in certain high school courses, as published in the College Calendar, or on the basis of appropriate post-secondary studies. By means of the Mature Students Admission category, students over 21 are admitted without necessarily meeting specific high school admissions requirements. However, these students and foreign students may be required to take a special English Supplementary Examination to ascertain their English reading and writing proficiency.

Transfer Policy

1. Generally, The King's College will accept courses for transfer credit from Alberta degree-granting institutions and from other post-secondary institutions, provided that they are appropriate to the student's degree program at The King's College.
2. Specific regulations regarding marks and transfer credits are being developed and will be available from the Director of Student Affairs.
3. Students are required to complete successfully at least ten term courses at The King's College. Six of the last ten courses of the degree program must be completed at The King's College.

Students who wish further information about admission or transfer should contact:

The Director of Student Affairs
The King's College
10766 - 97 Street
Edmonton, AB T5H 2M1

Phone: (403) 428-0727

Lakeland College

Students who have pursued a course of studies at another post-secondary institution may apply for a transfer of credits to the program they are enrolling in at Lakeland College. Students wishing to obtain such credit (OR Alberta High School Credit for vocational, technical and special courses) SHOULD CONSULT WITH THE REGISTRAR WHEN REGISTERING FOR THE FIRST SEMINAR OR ANY PROGRAM AT THE COLLEGE.

1. Students with average or better standing in any equivalent subject (post-secondary level) may be awarded advance credits in the appropriate subject(s).
2. Advance credits will be applied directly to Lakeland College credit requirements needed for graduation provided the student completes at least half the program at Lakeland College.
3. Students who have a particular skill or body of knowledge due to previous study or experience may request a comprehensive challenge examination. If successful, credit for equivalent subjects offered by Lakeland College will be granted.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Lakeland College
Vermillion, AB T0B 4M0

Phone: (403) 853-8400

Lethbridge Community College

1. Transfer credit shall be treated as advance credit, and shall be governed by the applicable Academic Regulations.
2. For advance credit considerations, applicants for admission to Lethbridge Community College must submit official transcripts of their total post-secondary achievement.
3. In general, advance credit will be granted for transfer courses which are counterparts of and equivalent to courses at Lethbridge Community College relevant to the program for which the student enrolls. Credit may NOT be given for courses completed seven or more years prior to the date when credit is posted.
4. Grades for transfer courses are not posted to the student's record at Lethbridge Community College, therefore do not contribute to the student's academic standing while at Lethbridge Community College.
5. Only courses with an equivalent of "C" grade or better will be considered for transfer credit.
6. Advance credit shall not exceed 50% of the total credits required for graduation from any certificate or diploma program at Lethbridge Community College.
7. Advance credit is valid only if a student enrolls and completes at least one session at Lethbridge Community College.
8. Notwithstanding item 3 above, transfer credit will not be granted for courses in Nursing per se, completed more than 5 years prior to the date when a student is admitted to continue the Nursing Program.
9. (a) Applicants to Agricultural Technology who have a Bachelor's Degree or a Diploma in Agriculture in a related field of study may be given credit for Year 1 of the program subject to evaluation of transfer credit.
   (b) Applicants to Agricultural Technology with a Diploma from another program or an unrelated Bachelor's Degree or extensive background in Agriculture, may be permitted to take Year 2 and receive a Certificate after successful completion of a Year 2 specialization.

Further information regarding admission and transfer credit may be obtained from:

Student Services
Lethbridge Community College
3000 College Drive South
Lethbridge, AB T1K 1L2

Phone: (403) 320-3280

Medicine Hat College

Admission Regulations

Admission to Medicine Hat College depends upon successfully meeting the admission requirements which differ with the various programs. Specific admission requirements are clearly outlined in the College Calendar. Early Childhood Development, Travel Consultant, and Rehabilitation Practitioners programs all require personal interviews before final selection.

Challenge for Credit

In a limited number of courses, a student may obtain credit by successfully challenging a demanding examination, set by the department concerned. Application must be made through the Office of the Registrar.

Advanced Credit Policy

1. Advanced credit may be granted for courses completed at public universities, colleges and technical institutes in Canada and in the United States. Assessment will be on an individual basis and will depend upon the accreditation of the sending institution.
2. Advanced credit is only granted for Medicine Hat College certificate and diploma programs.
3. Medicine Hat College will accept only those courses for advanced credit with a grade of "C" or better.
4. Under normal circumstances no advanced credit will be granted for course work completed more than 5 years prior to the date on which advanced credit is requested.
5. No more than 10 semester courses or 30 semester hours of advanced credit will be granted towards a Medicine Hat College two year diploma.
6. No more than 5 semester courses or 15 semester hours of advanced credit will be granted towards a Medicine Hat College one year certificate.
7. All advanced credit decisions will be coordinated through Student Services. The Registrar and/or the Registration Officer and the appropriate Department Head will discuss and make decisions on advanced credit based upon institutional policy.

Further information regarding admission and transfer credit may be obtained from:

Registrar's Office
Medicine Hat College
299 College Drive
Medicine Hat, AB T1A 3Y6

Phone: (403) 529-3821

Mount Royal College

Admission Regulations

Applicants seeking admission to diploma and certificate programs must possess the equivalent of an Alberta High School diploma or have left high school and be 18 years of age or older by the last day of the semester to which they are admitted.

Due to the range and depth of materials covered, students may be required to complete additional admission requirements for admission to specific programs. Details on admission requirements for individual programs may be found in the College Calendar.

Transfer Credit Regulations

1. Mount Royal College may grant credit for work completed at an accredited post-secondary educational institution. Only courses completed (at post-secondary institutions other than The University of Calgary) with an equivalent of "C" grade or better, in subjects equivalent to current offerings at Mount Royal College will be considered.
2. Mount Royal College will accept for advanced credit, the same grades from The University of Calgary as The University of Calgary will accept from Mount Royal College. Advanced credit for more than one course from The University of Calgary will be granted only if the GPA of all courses to be transferred to Mount Royal College is greater than or equal to 2.0.
3. Specific advanced credit granted will be based on the evaluation of documents provided by the applicant. Documents are official transcripts, course outlines, course descriptions, list of textbooks used, etc.
4. The decision regarding equivalency will be at the discretion of the Registrar acting on the advice of the Department Chairman concerned.

5. The amount of advanced credit given is limited by the College residence requirement which states that the last 50 percent of the work completed toward the award of a Mount Royal College parchment must be completed at the College, except where prior written approval has been given by the Dean of the appropriate faculty.
6. Advanced credit will not be given for course work completed six years prior to the date on which advanced credit is requested.
7. Advanced credit will not normally be given for courses which duplicate in content a course previously completed.
8. Advanced credits are awarded only to the extent that they fit the program in which the student is enrolling.
9. Applicants are routinely asked to report prior post-secondary experience.
10. Challenge Credit: Applicants may gain credit in any introductory level college course by successfully challenging an examination set by the department concerned. Applications for credit by examination must be made through the Office of the Registrar and Director of Admissions.
11. Work Experience Credit: The Department of Criminology may grant advanced standing for knowledge and experience gained without undertaking formal studies. Recognition is given when the previous knowledge and experience is equivalent to that which would have been gained through formal studies at Mount Royal College. The amount of credit given for Work Experience is limited by the College residence requirement policy.

Further information regarding admission and transfer credit may be obtained from:

Registrar and Director of Admissions
Mount Royal College
4825 Richard Road S.W.
Calgary, AB T3E 6K6

Phone: (403) 240-3722

Northern Alberta Institute of Technology

The Northern Alberta Institute of Technology serves within the context of Alberta's advanced education system to design and deliver post-secondary, non-university career training which is effective in terms of meeting student expectations and the skilled manpower requirements of business and industry, and efficient in terms of the use of resources.

Transfer and Advance Credit

A student with applicable education or experience is encouraged to apply for transfer or advance credit. Credit to be awarded will be determined by the Department Chairman, on the basis of these guidelines:

1. Transfer or advance credit may be obtained by submitting academic transcripts or documentation to the NAIT Registrar, with a completed NAIT Application for Admission form.
2. A student who has successfully completed year one of a Transfer Program will be accepted into year two of the corresponding NAIT program.
3. A student who has partially completed a Transfer Program may be accepted into the corresponding NAIT program as a Special Student. The sending institution should provide a written recommendation regarding the student's qualifications. The student should send NAIT the recommendation, statement of grades or transcript and a completed NAIT Application for Admission form. An interview of the applicant with the Department Chairman may be required prior to final acceptance.

High School Equivalency

An applicant who has the equivalent of a high school diploma will receive credit comparable to NAIT Pre-Technology graduates. Applicants are required to submit a high school transcript along with a completed NAIT Application for Admission form.

Quota Limitations

Entry into the second year, or a specific option, of a NAIT program may be subject to quota limitations.

Honours Diploma

An honours student from a sending institution will be eligible to receive a NAIT Honours Diploma under the same conditions applicable to all NAIT students.

Bursaries and Awards

A transfer student is eligible for all bursaries and awards available to students completing Year Two of NAIT programs. For additional information contact NAIT's Financial Aid and Awards Office (403-471-7550).

Further information can be obtained from:

The Registrar
Northern Alberta Institute of Technology

Olds College

Admission Regulations

Admission requirements at Olds College vary by program and are specified in the College Calendar.

Advanced Standing/Advanced Placement Regulations

1. Applicants who have been accepted into an Olds College program may be granted recognition for courses successfully completed at another post-secondary institution no later than 5 years prior to admission to the program in two ways:
   — Advanced Standing—students are granted credit for previous course work equivalent to courses offered by Olds College as relates to their program.
   — Advanced Placement—students are exempted from courses offered by Olds College as part of their program but must substitute other courses to complete graduation requirements.
2. Only courses in which the applicant has achieved a minimum grade of "B" or "70%" or "6" on a 9-point system or "3" on a 4-point system will be considered.
3. In general, advanced standing will be granted for courses which are equivalent to offerings at Olds College and are applicable to the applicant's program.
4. The decision regarding equivalence will be at the discretion of the Registrar acting on the advice of the Dean concerned.
5. Applicants are required to submit official transcripts from the sending institution along with an Application for Advanced Standing and may be required to submit course outlines and other appropriate documents for evaluation purposes.
6. Grades for advanced standing courses are not recorded on the applicant's Olds College transcript.
7. The amount of advanced standing is limited by the College's residency policy.
8. The Registrar will notify applicants in writing of the decision regarding their Application for Advanced Standing.

Challenge Examination Regulations

1. Applicants who have been accepted into an Olds College program may be granted credit for acquired knowledge or skills which is relevant to the content of a course offered by Olds College by requesting and successfully passing a challenge examination.
2. Applicants must be registered in the course challenged, apply to challenge prior to a specified deadline for doing so, and pay a specified fee.
3. Challenge examinations are not permitted for the purpose of raising a grade.
4. Grades for courses successfully challenged by examination are recorded on the applicant's Olds College transcript.

Further information regarding admission and transfer credit may be obtained from:

The Registrar
Olds College
Olds, AB T0M 1P0

Phone: (403) 556-8285

Red Deer College

Red Deer College awards advanced credit, in consultation with the sending institution, to students transferring from other post-secondary institutions. The advanced credit is awarded on an individual basis, and is dependent upon the courses completed and the program into which the student is transferring.

Further information regarding admission and transfer credit may be obtained from:

The Registrar
Red Deer College
56 Avenue - 32 Street
Box 5005
Red Deer, AB T4N 5H5

Phone: (403) 342-3300

Southern Alberta Institute of Technology

1. Advance credit will be granted to applicants who have completed equivalent education at an Alberta post-secondary institution or other Canadian institution.
2. The applicant must request advance credit and submit a complete transcript of marks indicating the subjects taken, the hours for both theory and laboratory, and the grade attained.
3. The subject Department Head will evaluate the transcript and determine the credit to be granted and advise the Registrar. The Registrar will advise the applicant of the credit granted. It is the applicant's responsibility to ensure that the necessary paper work is completed.
4. There is no charge for advance credits granted for subjects taken in Alberta post-secondary institutions but a fee of $5.00 per subject is charged for subjects completed at other than Alberta institutions.
5. A student must be enrolled at SAIT for one complete academic year to qualify for a diploma.
6. The credit granted by a subject Department Head applies to a particular program and does not necessarily apply if the applicant changes programs.

Further information regarding admission and transfer credit may be obtained from:

The Registrar
Southern Alberta Institute of Technology
1301 - 16 Ave. N.W.
Calgary, AB T2M 0L4

Phone: (403) 284-8841

University of Alberta

General Statement

The University will accept students transferring from public and private affiliated colleges on the same basis as students transferring from a provincial university.

A student seeking transfer to the University following successful completion of **two semesters** (one year or 30 semester-hours of credit) at a college will be considered for admission to the level of the **second year** at University.

A student seeking transfer to the University following successful completion of **four semesters** (two years or 60 semester-hours of credit) on an approved university transfer program at a college will be considered for admission to the level of the **third year** at University.

A student seeking admission to the University following successful completion of less than two semesters (one year or thirty

semester-hours of credit) at a college will be considered for admission to the first year at the University. Such students will be granted advanced standing for the transfer courses completed.

Normally, approval will not be given to proposals from either public, regional colleges or private colleges affiliated with University of Alberta, to offer courses for transfer which generally require two years of university preparation as prerequisites.

Some Elements of Transfer Policy

1. The basic principle is that transfer be considered only for those students whose previous academic records are satisfactory.
2. The University does not insist that individual courses taken at the colleges have exact counterparts in the University curriculum in order that credit be granted on transfer. Moreover, the University will grant transfer on the basis of two full semesters of College study being equivalent to one year at the University, regardless of slight differences that may exist in the credit evaluation of some of the College courses as compared with their University counterparts. However, transfer cannot be permitted if an applicant is deficient in the academic preparation required of the study program into which transfer is being requested. Where a course-to-course equivalent cannot be established, credit is granted, provided the standing is acceptable as "elective credit". Students should be cautioned that specific requirements exist at the Faculty level and in most Department programs. These cannot normally be fulfilled by elective credit.
3. Students transferring from any college or university in which they obtained the minimum passing grade should consult the appropriate Faculty calendar to determine whether any transfer credit is possible. Transfer credit is not awarded for "D" level grades or equivalents, but will be used in calculating the student's GPA for purposes of admission.
4. A student once enrolled and eligible to continue studies, who plans on obtaining a University of Alberta degree, may be guaranteed transfer credit from another institution only if prior permission has been obtained from the Faculty in which the student is enrolled.
5. **Challenge credit** — some Faculties will permit a student who has not enrolled for nor taken a course to "challenge" the course by writing an examination covering the course content. If the examination is passed the student may be given credit for the course.
6. Courses that have been successfully "challenged" at other institutions will be useful to provide advance placement at the University, but credit for such "courses" will not be guaranteed toward a degree.
7. In some disciplines, such as art, music, and theatre, it is impossible to provide an exact matching of college and university courses. In these situations the college courses are accepted on transfer in the category of "elective" credit in the particular discipline. Transfer of credit for the courses listed in this Guide to the B.F.A., B.Mus. and Honours programs in the Faculty of Arts at the University of Alberta will be at the discretion of the Faculty of Arts. Students planning to transfer to one of these programs should consult with the Student Programs Office of the Faculty of Arts at the University of Alberta.
8. Students who present the College Diploma from an Alberta Agricultural and Vocational College, and who obtain a grade point average of 2.7 or higher on the 4-point system, may receive credit for up to 10 single-term courses in Agriculture in recognition of collective experience and performance in the Agriculture Colleges. These course credits are to be from among the 200- and 300-level courses of the Faculty and will be determined by the Dean upon recommendation by the student advisor of the program in which the student wishes to major.
9. The courses listed are taken from the "academic offerings" of the colleges. These courses are in general intended to serve as a basis for further studies at a post-college level. Courses offered by the colleges in vocationally oriented programs are not intended to prepare students for transfer to universities and are, therefore, not listed in the following tables.
10. A maximum of 60 credits (10 full course equivalents) may be transferred to the BEd degree program but the amount of credit will be determined by the route (Secondary, Elementary, Industrial Arts, Vocational Education) as well as the major and minor chosen. All students should complete 9 credits of Education (Ed Psy 263, Ed Fnd 201, Ed Pr 251) prior to admission to the Faculty. In order to receive maximum credit for the Elementary Route, students should also present 51 credits of Non-Education courses including all of the seven Elementary Elements and 12 credits of work at the 300-level. In order to receive maximum credit for the Secondary Route, students should also present 24 credits in the Major area of study, and a maximum of 12 credits in the Minor along with 15 Non-Education credits. For the Industrial Arts/Vocational Education Routes students may transfer no more than 30 credits including Ed Psy 263, Ed Fdn 201, Ed Pr 251.
11. A student seeking admission to the University following successful completion of less than two semesters (one year or thirty semester-hours of credit) at a college will be considered for admission to the first year at the University. Such students will be granted advanced standing for the transfer courses completed.

Admissions Information

1. *The Academic Year*

The University of Alberta's academic year is divided into the following sessions:

WINTER SESSION (1st term) : September - December
WINTER SESSION (2nd term) : January - April
SPRING SESSION : May - June
SUMMER SESSION : July - August

2. *Application Deadlines*

Students may apply for admission to any one of the above sessions. However, it should be noted that not all Faculties will accept transfer students to every one of the above sessions. Please find listed below the application deadlines for each session where admission is possible:

FACULTY	PROGRAM	WINTER - 1st TERM	WINTER - 2nd TERM	SPRING	SUMMER
AGRICULTURE & FORESTRY	B.Sc.	June 1	November 1	NA	NA
ARTS	B.A. (Gen., Spec., Hon.)	June 1	November 1	March 1	April 1
	B.A. (Special in Criminology)	March 1	NA	NA	NA
	B.F.A. (Drama)	January 1 (Audition application deadline - January 11)	NA	NA	NA
	B.F.A. (Art & Design)	May 1	NA	NA	NA
BUSINESS	B.Comm.	June 1	NA	NA	NA
DENTISTRY	Dental Hygiene	February 1	NA	NA	NA
	D.D.S.	February 1	NA	NA	NA
EDUCATION	B.Ed., B.Ed.-A.D.	June 1	November 1	NA	NA
ENGINEERING	B.Sc.	May 1	NA	NA	NA
HOME ECONOMICS	B.Sc.	June 1	November 1	March 1*	April 1*
				*on an individual basis only	
LAW	LL.B.	February 1	NA	NA	NA
MEDICINE	M.D.	December 1	NA	NA	NA
	B.Sc. (Med. Lab. Science)	June 1	NA	NA	NA

SAINT-JEAN	B.A., B.Sc., B.Ed.	June 1	November 1	NA	NA

SCIENCE	B.Sc. (Gen)	June 1	November 1	March 1	April 1
	(Spec)	June 1	November 1	NA	NA
	(Hon)	June 1	November 1	NA	NA

3. *Official Documents*
   Transcripts of your post-secondary work should be submitted to the Office of the Registrar with the application if possible, otherwise as soon as they become available after the application deadline date.

Further questions concerning transfer and/or admission may be directed to:

Student Access Centre
Office of the Registrar
University of Alberta
Edmonton, AB T6G 2M7

Phone: (403) 432-4537

The University of Calgary

Admission Regulations

Prospective applicants should familiarize themselves with the entrance requirements for The University of Calgary. This information is provided in the University Calendar and may also be obtained by contacting the Admissions Section of the Registrar's Office. No student will be considered for admission or transfer credits unless the entrance requirements of the University are satisfied.

Applicants who are not Canadian citizens and who have not resided in Canada or another English-speaking country for at least five consecutive years prior to the session to which admission is sought must present proof of proficiency in the English language before they will be considered for admission.

Transfer Regulations

1. Transfer credit is not awarded for any course completed with a grade of "D" or equivalent (grade of "4" or less on a nine-point scale) unless it is a course offered at Medicine Hat College or Mount Royal College which carries the same course number and description as a University of Calgary course.
2. The academic standing of transfer applicants at their previous post-secondary institution(s) must be such that they would be allowed to proceed in a degree program at The University of Calgary. Students intending to transfer to the University should be aware that an excessive number of withdrawals or failures, or a cumulative grade point average below 2.0 (on a four-point scale) or below 5.0 (on a nine-point scale), may result in refusal of admission.
3. Transfer credits are awarded only to the extent that they fit the student's particular program at The University of Calgary. Courses which are not directly applicable to that program are considered extra to the student's degree.
4. The amount of transfer credit that may be granted is limited by the residence requirements of the different Faculties at the University. Students entering the Faculty of Physical Education may transfer a maximum of one full year of course work completed at another post-secondary institution, including only one full-course equivalent in activity courses. The remaining Faculties normally allow credit for up to two full years of course work completed elsewhere. In addition, some Faculties stipulate the number of years students may take to complete a degree following initial registration. Courses for which transfer credit is allowed must also be completed within the same number of years. For example, if a student is permitted 10 years to complete a degree, courses for which transfer credit is granted must also have been completed within the same 10-year period.
5. Students attending The University of Calgary are not permitted to repeat a course more than once. Prospective transfer applicants should be aware of this regulation since courses completed a third or more times will not be accepted for advanced credit.
6. When selecting courses, prospective transfer students should be aware of the limit on the number of junior courses (100- and 200-level courses) that may be counted towards a degree program at The University of Calgary. Please refer to the University Calendar for further details.
7. Transfer students must ensure that they do not take duplicate courses, since no credit will be granted for those courses which duplicate in content a course previously completed.

8. The Alberta Transfer Guide contains a list of courses which have been evaluated by The University of Calgary as transferable credits on the basis of present working arrangements. The University does not necessarily consider the courses as exact equivalents to University of Calgary courses. However, to simplify registration procedures for new students, the courses are listed as if they were directly equated. Courses transferred from other post-secondary institutions may be used as prerequisites for senior-level courses at The University of Calgary.
9. Transfer students should familiarize themselves with the academic regulations printed in the University Calendar since these regulations will apply in all cases to transfer students.

Application and Transcript Deadlines

The application and transcript deadlines for the Spring and Summer Sessions are:

Spring Session — April 1 (applications)
— April 15 (transcripts)
Summer Session — May 1 (applications)
— May 31 (transcripts)

Note: 1. The Faculties of Education, Management, Nursing, and Social Welfare do not accept new students to a degree program for the Spring or Summer Sessions. Only those applicants who are clearly admissible to the Faculties of Engineering and Physical Education will be considered for the Spring or Summer Sessions; however, both of these faculties recommend that new students enter for the Fall Session.

2. The Faculties of Education and Physical Education will consider applications for admission to a degree program for the Winter Session only if there are available spaces. Applications for admission to a degree program offered by the Faculties of Engineering or Fine Arts for the Winter Session must be submitted by the Fall Session application deadline.

Further information regarding admission and transfer credit may be obtained from:

The Director of Admissions
Registrar's Office
The University of Calgary
2500 University Drive, NW
Calgary, AB T2N 1N4

Phone: (403) 220-6645

The University of Lethbridge

Transfer Policy

1. Students are referred to the appropriate section of The University of Lethbridge Calendar for information concerning the admission of transfer students.
2. Courses acceptable for credit at one or more of the other Alberta degree-granting institutions are normally transferable to The University of Lethbridge.
3. A student transferring to The University of Lethbridge from a college must have obtained a minimum cumulative grade point average of 2.00 or equivalent. Credit is not awarded for "D" level grades or equivalent.
4. Transfer credit is awarded only to the extent to which it may be applied to the student's degree program.
5. Where unspecified credit is awarded, it is the responsibility of the student to consult the appropriate Department for academic advice.
6. Transfer students are advised of the twenty-semester-course residence requirements for the first degree.
7. Due to the unique nature of the Bachelor of Education program, all college students who intend to transfer into the Faculty of Education are advised to enrol in Liberal Arts courses appropriate to the chosen major, rather than in professional or Education courses. Approved Education courses are transferable to the extent to which they fit the individual student's program, to a maximum of four semester courses.
8. The course equivalents listed in this Guide are based on 1987/88 calendar descriptions and do not apply where course descriptions or programs are revised in the ensuing years.
9. Transfer of credit for courses within the Bachelor of Fine Arts program or Bachelor of Music program is at the discretion of the Faculty of Professional Studies. Students in these particular areas shall be expected to display a level of proficiency that allows them to continue in course sequences at The University of Lethbridge. In the case of Bachelor of Fine Arts students, a portfolio will be required; in the case of Bachelor of Music students, an examination and/or audition will be required.

Further information regarding Admission or Transfer credit may be obtained from:

Registrar's Office
The University of Lethbridge
4401 University Drive
Lethbridge, AB T1K 5B4

Phone: (403) 329-2231

Vocational Centres

Alberta Vocational Centre: Calgary, Edmonton, Grouard, Lac La Biche
Community Vocational Centres, Slave Lake

Admissions Regulations

The entrance requirements of Provincially Administered Institutions are in the Centre Calendars. Generally applicants are 17 years of age or older. Both Academic Upgrading and Career Programs are offered at the Centres. For the Career Programs, academic achievement, and the result of admissions testing may be considerations in selecting students. Applicants deficient in prerequisite courses may be admitted to the program for a trial period based on equivalency considerations. All programs having a prescribed grade level will accept as equivalent the general Education Development (G.E.D.) diploma.

Transfer Credit

Credit may be granted to applicants who have completed course(s) at other post-secondary institutions. For transfer credit consideration, applicants must submit official transcripts to the Registrar at the time of registration.

Assessment for credit is based on whether the courses are:
(a) equivalent to courses offered at the receiving institution,
(b) applicable to the applicant's program, and
(c) whether satisfactory grades were attained.

Further information regarding admission and transfer credit may be obtained from:

Westerra Institute of Technology

Westerra provides career training in a variety of areas including: Computer Engineering Technology, Water and Wastewater Technician, Gas Distribution Technician, Electrical Maintenance Technician, and Business programs.

At Westerra, admission requirements vary from program to program. Applicants who are 18 years of age or older and who have been out of secondary school for at least one year will be considered for admission based on previous education and experience. Westerra welcomes transfer students with previous post-secondary education. Advance credit will be granted for studies successfully completed at other post-secondary institutions, provided they are appropriate to the student's program.

Student Services
Westerra Institute of Technology
Box 5000
Stony Plain, AB T0E 2G0

Phone: (403) 963-1000

III. TRANSFER ARRANGEMENTS BY SENDING INSTITUTION

INTRODUCTION

This section lists the transfer arrangements between post-secondary education institutions in Alberta. It is arranged alphabetically by sending institution and may involve up to four transfer information components for each institution: (1) a list of programs transferable to degree-granting institutions, (2) a list of courses transferable to degree-granting institutions, (3) a list of programs transferable to non-degree-granting institutions, and (4) a list of courses transferable to non-degree-granting institutions.

The institution identified in the column on the left of the following tables is the sending institution: those on the right are receiving institutions. Programs and courses listed under the left column are referred to by the name and number designated by the sending institution. Programs and courses listed for each receiving institution's column represent the corresponding award of transfer credit with the names and numbers designated by the receiving institution. Where course equivalencies are listed, they are referred to by course code and number designated by the receiving institution. These course equivalents indicate to the reader that, provided the sending institution courses fit the requirements of the particular program entered, they will be accepted for transfer.

Please pay close attention to the following:

(1) In some cases, footnotes are used to indicate provisions under which the transfer arrangements apply for specific procedures involved in transfer. **Users of the Alberta Transfer Guide are advised to pay close attention to the footnoted comments.**

(2) Users of the Guide are also encouraged to **read, in conjunction with the following tables, the admission and transfer policies statements of the institution to which they are transferring.** These statements can be found in Section II of this Guide.

(3) Although not listed as a receiving institution in Section III of this year's Transfer Guide, The King's College recently has been designated as an institution that may grant a three-year Bachelor of Arts degree. Therefore, The King's College is a receiving institution for transfer students seeking to complete a three-year liberal arts degree program. Please refer to the admission policies statement submitted by The King's College in Section II of this Guide.

Alberta College of Art

Transfer Arrangements to Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION				
ALBERTA COLLEGE OF ART	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**
BY PROGRAM					
Alberta College of Art Diploma Program	Students transferring to the B.F.A. (Art & Design) Program who have completed the 3rd year or more of the A.C.A. diploma may, on presentation of a portfolio & recommendation from A.C.A., be granted up to 2 years advanced credit in appropriate "studio" courses. Students with less than three years are also eligible for advanced credit as determined by the Art Department upon submission of a portfolio. Students transferrring to the B.A. (General) or B.A. (Special) programs from A.C.A. may, on presentation of a portfolio & a recommendation from A.C.A. be granted up to five "studio" courses in advanced credit.	Graduates of the A.C.A. may be granted, upon submission of a portfolio to the Art Department, up to 2 years of advanced credit in Art course. Non-graduates are also eligible for advanced credit as determined by the Art Department upon submission of a portfolio. Applicants who have successfully completed a full first year of Art History with acceptable grades will be awarded advanced credit for Art 201/203 (Art History) (6).	Transfer credit is available depending upon individual assessment and degree program entered.	Transfer credit is available depending upon individual assessment and degree program entered.	Transfer credit is available depending upon individual assessment and degree program entered.

[1] Students with credit in either Botany 205 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biology.

[2] Students may not enrol in BIOL 341 for credit.

[3] Transfer credit for French 100 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The University of Calgary.

[4] Not to do MUSIC 209 or 310 at the University of Alberta.

[5] Not to do MUSIC 216 or 317 at the University of Alberta.

[6] Provided instructed by Dr. C. F. Dean.

[1] Students may not take BIOL 341 for credit.

[2] Students with credit in either Botany 205 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biology.

[3] Credit will be allowed for only one of Computing Science 214, 262 or 351. Students who subsequently complete CPSC 211 at The University of Calgary may not also receive credit for Computing Science 214, 262 or 351 at Concordia College.

[4] Students who are not Computer Science majors may receive credit for only one of CPSC 201 or CPSC 257. CPSC 201 and CPSC 257 are not applicable for credit to Computer Science majors.

[5] Will be considered as an Administrative Studies option on the B. Admin.

[6] Not for credit if credit received in ENGL 364 or 372.

[7] Not for credit if credit already granted in ENGL 383.

[8] Not for credit if credit already granted in ENGL 362 or 391.

[9] Not for credit if credit already granted for ENGL 380 or 383.

[10] Transfer credit for French 100 or German 100 will be allowed only if the student does not also present French 30 or 31 or German 30 (or equivalent) and does not use this subject to satisfy matriculation requirements. These courses are not available for credit in the Faculty of Education at The University of Calgary.

[11] Credit will be allowed for only one of Mathematics 202 or 203.

[12] Not to take PHYS 205 at the University of Alberta.

[13] Credit will be allowed for only one of Physics 203 or 205.

[14] Course equivalents may vary depending on the student's program.

[15] Students may not take MATH 215 for credit.

[16] Students may not take PSYC 228 for credit.

[17] Student not to take PSYCO 489 at the University of Alberta.

[18] Not to do RELIG 347.

[19] Students who subsequently complete SOCI 324 (6) at The University of Calgary may not also receive credit for Sociology 324 taken at Concordia College.

[20] Credit for Zoology 341 and 470 or 493/495 at The University of Calgary may not be allowed.

Fairview College

Transfer Arrangements to Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION				
FAIRVIEW COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**
BY PROGRAM					
Diploma in Agribusiness or Agricultural Production Technology	Graduates of these programs with a grade point average of 3.4 or higher on the five-point scale, may receive credit for up to ten single-term courses towards a B.Sc. in Agriculture at the University of Alberta in recognition of collective experience and performance at the College. These course credits are to be from among the 200- to 300-level courses of the Faculty and will be determined by the Dean in consultation with the student advisor of the program in which the student wishes to major.

[1] Admission to the professional programs is dependent upon academic achievement in years of pre-professional study and, in some cases, on result in specified entrance tests normally written after two years of pre-professional study, e.g. MCAT (Medical College Admission Test).

[2] Required core courses are: BA 111/112 or OA 141/142 or AC 202/204; BA 142; OA 102/201. Only 5 out of 6 core courses are offered, the remaining core courses may be completed after admission to The University of Lethbridge. At least 3 option courses should be chosen from the following: Secretarial — OA 110 (Forkner or Speed Writing), 122, 130; Data Processing — CS 214, 215, 351; Business Foundations and Accounting — BA 203, 214; EC 201, 202; OT 303; Marketing — BA 109.

[3] No credit in B.F.A. program.

[4] Students with credit in either Botany 205 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biology.

[5] Not acceptable for credit towards a Bachelor of Commerce degree program at The University of Calgary.

[6] Will be considered as an Administrative Studies option on the Bachelor of Administration Degree Program.

[7] Faculty of Engineering course.

[8] Double credit for Computing Science 272 and any one of MATH 271, CPSC 313 or CPSC 321 will not be permitted.

[9] Students who are not Computer Science majors may receive credit for only one of CPSC 201 or ENGG 213. CPSC 201 and ENGG 213 are not applicable for credit to Computer Science majors.

[10] Students who subsequently complete DRAM 360 at The University of Calgary may not also receive credit for Drama 321 taken at Grande Prairie Regional College.

[11] Students who subsequently complete ECON 340 at The University of Calgary may not also receive credit for Economics 341 taken at Grande Prairie Regional College.

[12] Course may not be used as prerequisite for senior English courses.

[13] Faculty of Education.

[14] Transfer credit is granted providing the student has matriculation and does not also present this subject as part of that matriculation.

[15] Transfer credit for French 130 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The University of Calgary.

[16] Provided that a different "language other than English" is presented for matriculation.

[17] Not to do French 100 (6).

[18] Not to take GEOG 381.

[19] Students cannot enrol in GEOG 310 for credit.

[20] Not to take GEOG 350.

[21] Credit towards degree requirements will be allowed for only one of Management Science 306/307, Psychology 309, or Statistics 241 or 255, whichever is most appropriate to the degree program.

[22] Credit will be allowed for only one of Mathematics 202, 203, 212 or 240 and only one of Mathematics 204 or 213.

[23] Do not take MATH 3450.

[24] Not to be given transfer credit to B.Sc. programs in the Faculty of Science.

[25] Do not take MATH 3400.

[26] For Education students. The movement requirements may be waived.

[27] Do not take MUS 3521.

[28] Transfer of credit is assured only to B.A. (General) and B.A. (Special) programs. Credit may be given in the B.Mus. program, but only on individual assessment and only for approved instrument.

[29] Credit for MUSI 217, 251, 253, 291, 293, 317, 351, 353, 391 and 393 is dependent upon successful completion of the student's placement test and audition with The University of Calgary. Credit for unassigned Music options may be allowed in other cases. However, such credit will not be awarded to Music majors or Music minors. Students who subsequently complete MUSI 217, 251, 253, 291, 293, 317, 351, 353, 391 or 393 at The University of Calgary may not also receive credit for the corresponding Music course(s) taken at Grande Prairie Regional College.

[30] Do not take MUS 3511 before consulting with the Music Department.

[31] Not to take PHIL 230.

[32] PHIL 2120, 2130 or 3110 should not be taken at The University of Lethbridge except by special permission.

[33] Only one year of credit is transferable to the three-year Bachelor of Physical Education degree program at The University of Calgary. This one year of credit may include only one full-course equivalent (6 credit units) in activity courses, of which only one quarter-course equivalent (1.5 credit units) may be at the 300-level (advanced).

[34] Credit will be allowed for PHED 263 (3) and Jr. PHED option (3) if both Physical Education 201 and 206 are completed.

[35] Not to do PHYS 205.

[36] Credit will be allowed for only one of Physics 203 or 205.

[37] Course equivalents may vary depending on the student's program.

[38] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The University of Calgary.

[39] Students cannot enrol in POLI 214 for credit.

[40] Students cannot enrol in MATH 215 for credit.

[41] Students cannot enrol in SOC 316 for credit.

[42] Not accepted for credit towards Bachelor of Commerce degree.

Transfer Arrangements to Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION				
GRANT MacEWAN COMMUNITY COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**
BY PROGRAM					
Accounting, Management Studies Interim Certificate and Diploma			Individual assessment	Credit granted on a course by course basis on the Bachelor of Administration degree program. Transfer credit is available depending upon individual assessment and degree program entered.	Credit is granted on a course by course basis for courses indicated in this Guide that are appropriate to the student's degree program at Camrose.
Early Childhood Development Diploma	Students completing this program will be granted up to 4½ full course credits of advanced standing at The University of Alberta on the Family Studies program in the Faculty of Home Economics. Students completing this program will be granted up to four full course credits of advanced standing at The University of Alberta on the Early Childhood Specialization B.Ed. program in the Faculty of Education.				
Nursing Diploma	Graduates of Grant MacEwan Community College's Nursing Diploma Program and Supplementary Nursing Diploma Program for Registered Psychiatric Nurses are eligible to enrol at the University of Alberta and in the two-year Post-R.N. Program leading to the B.Sc.N. degree.	Graduates of the Nursing Diploma Program at Grant MacEwan Community College will be considered for admission to The University of Calgary two-year Post R.N. Baccalaureate Program.	Graduates of the Nursing Diploma Program are eligible to apply to The University of Lethbridge for the Post-Basic Bachelor of Nursing Degree Program.	Transfer credit is available depending upon individual assessment and degree program entered.	

SENDING INSTITUTION	RECEIVING INSTITUTION				
GRANT MacEWAN COMMUNITY COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**
Social Services Worker Diploma		Students who complete the two-year Social Services program at Grant MacEwan Community College and are admitted to The University of Calgary will be awarded transfer credit for up to five full junior Social Work courses. In addition, they may receive credit for those Arts and Science courses which are applicable to their degree program and are indicated in this Transfer Guide.		Transfer credit is available depending upon individual assessment and degree program entered.

Social Work					
SS 304.3			SOC 3350 (3)		Jr. option (3)

[1] Credit for ANTHR 202 will not be given for any combination of these courses.

[2] Not to do ANTHR 306 or 307.

[3] Students must have credit in ART 232 and Art 202.3 or 103.3 at Grant MacEwan and portfolio and Department of Art and Design recommendation.

[4] Student must also have credit in ART 232 and portfolio and Department of Art and Design recommendation.

[5] Portfolio and Department of Art and Design recommendation required.

[6] Must also have credit in ART 240 and portfolio and Department of Art and Design recommendation.

[7] On B.Com. program.

[8] Students cannot enrol in MATH 244 for credit.

[9] Students cannot enrol in ACCTG 254 for credit.

[10] Students cannot enrol in ORGB 386 for credit.

[11] Accepted for Jr. BIOL at the 200-level.

[12] Any four of English 200.6, 203.3, 207.3, 210.6, 302.3, 303.3, 306.3, 307.3 or 405.3 accepted as four 2000-level ENGL courses.

[13] Credit will be allowed for a Jr. ENGL (3) if any two of EN 203.3/302.3/303.3/304.3 are completed.

[14] Not to take MATH 3450.

[15] Not to do PHIL 357.

[16] Students cannot enrol in POLI 309 for credit.

[17] Transfer credit is granted providing the student has matriculation and does not present these subjects as part of that matriculation.

[18] Transfer credit for FR 101.4/102.4 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The University of Calgary.

[19] Do not take FREN 3210.

SENDING INSTITUTION	RECEIVING INSTITUTION				
KEYANO COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**
BY PROGRAM					
The following represents the maximum number of years a student may complete at Keyano College toward a degree program. To receive maximum credit, students must complete courses that are appropriate to the student's particular degree program at the receiving institution. For detailed information, please check with the Registrars and Calendars of both the College and receiving institution.					
Arts					
B.A. (general)	2 years	2 years	2 years		2 years

Nursing	Graduates of the Nursing Diploma Program at Keyano College are eligible to apply for the Post-R.N. Program leading to the two-year B.Sc.N. degree.	Graduates of the Nursing Diploma Program at Keyano College will be considered for admission to The University of Calgary two-year Post R.N. Baccalaureate Program.	Graduates of the Nursing Diploma Program are eligible to apply to The University of Lethbridge for the Post-Basic Bachelor of Nursing Degree Program.	Transfer credit is available depending upon individual assessment and degree program entered.

[1] Arts option only, not to be used in B.F.A. degree.

[2] Transfer is approved, subject to acceptance of a representative portfolio of work on the course.

[3] Students with credit in either Botany 205 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biology.

[4] Three of these 6 Jr. CMPUT credits may be used to meet the 3 Junior credit compulsory Computing Science core requirement on the Bachelor of Administration program.

[5] Students cannot enrol in STAT 1770 for credit.

[6] Will be considered as an Administrative Studies option on the Bachelor of Administration program.

[7] Credit will be allowed for only one of Computing Science 214 or 262. Students who subsequently complete CPSC 211 at The University of Calgary may not also receive credit for Computing Science 214 or 262 taken at Keyano College.

[8] Students who are not Computer Science majors may receive credit for only one of CPSC 201, or ENGG 213. CPSC 201, and ENGG 213 are not applicable for credit to Computer Science majors.

[9] Transfer credit for French 100 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use these subjects to satisfy matriculation requirements. These courses are not available for credit in the Faculty of Education at The University of Calgary.

[10] Students with credit for HIST 201 may not enrol in HIST 301.

[11] Students with credit in HIST 278 or 279 may not enrol in HIST 360 or 361.

[12] Credit will be allowed for only one of Mathematics 202 or 240, only one of Mathematics 221 or 243, and only one of Mathematics 204 or 213.

[13] Do not take MATH 3450 (3).

[14] Not accepted for credit towards a Bachelor of Commerce degree program at The University of Calgary.

[15] Course equivalents may vary depending on student's program.

[16] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The University of Calgary.

[17] Students cannot enrol in PSYCH 228 for credit.

[18] Credit granted for only one of SOC 200, 202 or 403.

[19] Credit will not be granted for both SOC 201 and 322.

[20] Students with credit for Sociology 202 may not enrol in SOC 200.

[21] Credit will not be granted for both SOC 203 and 321.

[22] Students cannot enrol in SOC 316 for credit.

[1] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The University of Calgary or to majors or minors in the Department of Biological Sciences.

[2] Students with credit in either Biology 261 or Biology 262 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biological Sciences.

[3] Credit for Biology 341 and ZOOL 470 or 493/495 may not be allowed.

[4] Not to do ENGL 200.

[5] Not to do ENGL 345 or 356.

[6] Not to do ENGL 357.

[7] Not to do ENGL 350.

[8] Not to do HIST 338 or 339.

[9] Not to do MUSIC 206/207.

[10] Acceptance or transfer credit subject to audition.

[11] Provided Music 202/203 has been completed as prerequisite.

[12] Not to do PHIL 328.

[13] Course equivalents may vary depending on the student's program.

[14] Students may not enrol in MATH 215 for credit.

[15] Students may not enrol in PSYC 228 for credit.

[16] Not to do RELIG 353.

Lakeland College

Transfer Arrangements to Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION				
LAKELAND COLLEGE[1]	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**
BY PROGRAM					
Diplomas in Agricultural Engineering, General Agriculture, Animal Science (Animal Health and Herd Health majors only), Business Administration (Agribusiness majors only).	Graduates of these College diploma programs with a G.P.A. of 2.7 or higher on the 4-point scale may receive credit for up to 10 single-term courses in Agriculture in recognition of collective experience and performance at Lakeland College. Course credits are to be among the 200- and 300-level courses and will be determined by the Dean in consultation with the student's program advisor.	No credit as similar program not offered at The University of Calgary.	Individual assessment		Credit is granted on a course by course basis for courses indicated in this Guide that are appropriate to the student's degree program at Camrose.
Diploma in Business Administration (Accounting, Agri-Business, Appraisal and Assessment, Computer Science or Management majors.			Students may complete courses at Lakeland College which apply to a Business Education major at The University of Lethbridge.[2]

Psychology 260/261	Psychology 110.6
Sociology 202	Sociology 110.6

[2] Required core courses are: AC 140/240 and 344; CU 142. Students should also complete at least 3 option courses from the following: Data Processing—CMPUT 214, 215, CU 242; Business Foundations and Accounting—ECON 201, 202.

[3] CPSC 201 is not applicable for credit to Computer Science majors.

[4] Transfer credit for French 100 will be allowed only if the student does not also present French 30 or 31 (or equivalent) and does not use this subject to satisfy matriculation requirements. This course is not available for credit in the Faculty of Education at The University of Calgary.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION	
LAKELAND COLLEGE	**NAIT**	**SAIT**
BY PROGRAM		
Academic Upgrading	Lakeland Academic Upgrading graduates are eligible for admission into the NAIT programs on the same basis as NAIT Pre-Technology graduates. Consult Registrar, NAIT for further information.	
Drafting Technology	Students who have successfully completed all courses of the Lakeland College transfer program will be granted credit for Year One and will be accepted into Year Two of the NAIT Engineering Design and Drafting Technology Program. Those students who have not completed all courses of Year One at Lakeland College may be accepted as special students upon written recommendation from the College. A personal interview may also be required.	Students who have completed the first year Drafting Technology program at Lakeland College may transfer to the Engineering Drafting Technology program at SAIT and may be allowed to enroll in the fourth quarter of the program, if space is available.

Resource Management 253			1 unspec 1000 GEOG (3)		Jr. option (3)
Resource Management 255			1 unspec 1000 GEOG (3)		Jr. option (3)
Resource Management 256			1 unspec 2000 GEOG (3)		Jr. option (3)
Resource Management 265			1 unspec 1000 GEOG (3)		Jr. option (3)

SENDING INSTITUTION	RECEIVING INSTITUTION				
LETHBRIDGE COMMUNITY COLLEGE	U OF A	U OF C	U OF L	ATHABASCA UNIVERSITY	CAMROSE LUTHERAN COLLEGE
Resource Management 266		Jr. GLGY (3)[17]	1 unspec 2000 GEOG (3)		Jr. option (3)
Sociology 160			SOC 2010 (3)		Jr. SOC (3)
Sociology 261			SOC 2020 (3)		Jr. SOC (3)
Statistics 250		STAT 343 (3)	1 unspec 1000 STAT (3)[18]	Jr. MATH (3)	STA 241 (3)
Tax 200/201			1 unspec TAXMGT (3)		Jr. option (3)

[1] In addition to credit for discrete courses as noted above the following unspecified Arts and Science credit will be granted for the General Education component of the following programs:

Communication Arts	2 (6)
Law Enforce	2 (6)
Recreat Man	4 (12)
Rehab Serv	1 (3)

[2] Required core courses are: BUS 150, 151; AC 171, 173; BUS 154/175 or 255; BUS 166. Students may complete up to 4 options from the following: Secretarial—BUS 140, 157 (Forkner or Speed Writing only), 142, 145, 149, 169; Marketing—MKTG 156, 188, 277, 288; BUS 271, 279, 283; IBMK 106; Data Processing—BUS 160, 163, 260, 261; Business Foundations and Accounting—AC 271, 273; BUS 158, 159, 167, 250, 268; ECON 181, 253.

[3] CPSC is not applicable for credit to Computer Science majors.

[4] Not available for credits toward a Bachelor of Commerce degree program at The University of Calgary.

[5] It is strongly recommended that students take the labs for these courses in order to become familiar with software referred to in succesive courses.

[6] On the B.Com. program at the University of Alberta there is only room for ½ Jr. OPEN elective for either of these Business courses.

[7] Do not take CSC 3650.

[8] Do not take CSC 3670.

[9] No credit available for Computer Graphics course at University of Lethbridge.

[10] Do not take CSC 3900.

[11] Do not take MATH 2560.

[12] Do not take MATH 1510 or 1560.

[13] Do not take MATH 2850.

[14] Students who subsequently complete PSYC 385 at The University of Calgary may not also receive credit for Psychology 200 taken at Lethbridge Community College.

[15] No more than two half Jr. PHED options (3 credit units each) or one full Jr. PHED option (6 credit units) are transferable.

[16] Do not take SOC 3310.

[17] Not available for credit to Geology or Geophysics majors. Students who subsequently complete GLGY 209 at The University of Calgary may not also receive credit for Resource Management 266 taken at Lethbridge Community College.

[18] No credit if student takes 2 of STAT 1770, 2780 or ECON 2900 at The University of Lethbridge.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION
LETHBRIDGE COMMUNITY COLLEGE	**SAIT**
BY PROGRAM	
Drafting Technology	Students who have completed the first year of the Drafting Technology program at Lethbridge Community College may transfer to the Engineering Drafting Technology program at SAIT and may be allowed to enroll in the fourth quarter of the program, if space is available.
Electronics Technology	Students who have completed the first-year Electronics Technology program at Lethbridge Community College may transfer to the second year of Broadcasting and Industrial Electronics programs at SAIT, if space is available.

[1] Medicine Hat College makes every effort to ensure the smooth transfer of students to other education institutions. We are in touch with The Univers of Calgary, the University of Alberta, The University of Lethbridge and Athabasca University on a regular basis regarding course and program changes. The University of Regina and the University of Saskatchewan are also contacted frequently to be sure that students from Saskatchewan transfer from Medicine Hat College to the Saskatchewan Universities.
For further details on the university transfer programs offered at Medicine Hat College please refer to the 1987 - 88 Medicine Hat College Calendar.

[2] The following programs are transferable to the corresponding out-of-province institutions:

MEDICINE HAT	
Journalism & Communications	U of Regina - 1 or 2 years
Optometry	U of Waterloo - 1 year
Veterinary Medicine	U of Saskatchewan - 1 or 2 years

[3] Except OCCTH 206, 207 which may be completed at the University of Alberta during Spring Session if available.

[4] University of Lethbridge Campus.

[5] Except SPA 280 / 281 which may be completed at the University of Alberta during Spring Session if available.

[6] Required core courses are: BUSI 101 / 103, ACCT 111 / 113 or 321 / 323, MGIS 321, POEN 395. Students may complete up to 4 options from the following: Secretarial—BUSI 107, 108, 109, 131, 133, 267, 287; Marketing—BUSI 171, 206, 208, 221, 271; Data Processing—CPSC 201, 211, 213 MGIS 323, BUSI 191; Business Foundations and Accounting Area—ACCT 215, ECON 201, 203.

[7] Credit will be allowed for only one of Applied Math 207 or Math 251 and only one of Applied Math 209 or Math 253.

[8] Students cannot enrol in MATH 265 for credit.

[9] Students cannot enrol in MATH 266 for credit.

[10] Not to take ANTHR 350 (6) for degree credit.

[11] A portfolio must be submitted to the Department of Art and Design.

[12] Students who are not Computer Science majors may receive credit only for MGIS 321 and one of CPSC 201 or ENGG 213. CPSC 201, ENGG 213, a MGIS 321 are not applicable for credit to Computer Science majors.

[13] Students cannot enrol in CSC 1600 for credit.

[14] Students who subsequently complete DRAM 342 (6) at The University of Calgary may not also receive credit for Drama 341 taken at Medicine Hat College. Students who subsequently complete DRAM 344 (6) at The University of Calgary may not also receive credit for Drama 343 taken at Medicine Hat College.

[15] Will be considered as an Administrative Studies option on the Bachelor of Administration program.

[16] Students who subsequently complete ENGL 312 at The University of Calgary may not also receive credit for either English 312A or English 312B tal at Medicine Hat College.

[17] Do not take ENGL 3001, 3002, 3003 at the University of Lethbridge.

[18] Credit to Education students only.

[19] Not available for credit in the Faculty of Education at The University of Calgary.

[20] Transfer credit is granted providing the student has matriculation and does not present this subject as part of that matriculation.

[21] Do not take MODLANG 1000 or LING 2300.

[22] It is strongly recommended that students take the labs for these courses in order to become familiar with software referred to in successive course

[23] Do not take MATH 3450.

[24] Do not take MATH 3400.

[25] Do not take MATH 3570.

[19] Credit for MUSI 251, 253, 291, 293, 351, 353, 391, and 393 is dependent upon successful completion of the student's placement test and audition with The University of Calgary. Credit for unassigned Music options may be allowed in other cases. However, such credit will not be awarded to Music majors or Music minors. Students who subsequently complete MUSI 251, 253, 291, 293, 351, 353, 391 or 393 at The University of Calgary may not also receive credit for the corresponding Music course(s) taken at Medicine Hat College.

[20] Transfer of credit is assured only to B.A. General and Special programs. Credit may be given in the B.Mus. program but only on individual assessment and only for approved instrument.

[21] Accepted as an option when students are not continuing on a Bio-Science program.

[22] Only one year of credit is transferable to the three-year Bachelor of Physical Education degree program at The University of Calgary. This one year of credit can include only one full-course equivalent (6 credit units) of activity courses, of which only one quarter-course (1.5 credit units) may be at the 300-level (advanced).

[23] Credit will be allowed for PHED 263 (3) and a Jr. PHED option (3) if both Physical Education 201 and 206 are completed.

[24] PED 3650 (3) is waived for B.Ed., Physical Education majors.

[25] Not to take both Physics 221 and 227.

[26] Students cannot enroll in POLI 214 for credit.

[27] Students cannot enrol in POLI 309 for credit.

[28] Students cannot enrol in PSYC 228 for credit.

[29] Students who subsequently complete SOCI 324 (6) at The University of Calgary may not also receive credit for Sociology 325 taken at Medicine Hat College.

[30] Do not take ANTHRO 3350.

[31] Students cannot enrol in SOCI 316 for credit.

[32] Students with "C-" or better in both courses, credit given for STAT 255 (6).

[33] Not accepted for credit toward Bachelor of Commerce program.

[34] Students who complete Statistics 213 at Medicine Hat College and wish to receive credit for STAT 343 at The University of Calgary must pass a diagnostic test administered by the Department of Mathematics and Statistics.

[35] Credit towards degree requirements will be allowed for only one of STAT 213, 217 or 343, 347, whichever is most appropriate to the degree program.

[36] STAT 1770 is waived for B.Mgt. students.

[37] Secondary route only.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION		
MEDICINE HAT COLLEGE	**SAIT**	**OLDS COLLEGE**	**FAIRVIEW COLLEGE**

BY PROGRAM

Computer Aided Drafting Technology	Students who have completed the first year Computer Aided Drafting Technology program at Medicine Hat College may transfer to the Engineering Drafting Technology program either at SAIT or Lethbridge Community College.
Engineering Science Technology	Medicine Hat College offers the first year of SAIT's Engineering Science Technology. Students successfully completing this Medicine Hat College program may transfer to SAIT for their second and final year.

Transfer Arrangements to Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION				
MOUNT ROYAL COLLEGE	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**
BY PROGRAM					
Business Education Major			Students may complete courses at Mount Royal College which apply to a Business Education major at The University of Lethbridge.		Credit is granted on a course by course basis for courses indicated in this Guide that are appropriate to the student's degree program at Camrose.
Community and Regional Planning				Up to one full year credit on B.A. or B.G.S. programs. In addition, a student may receive credit for courses taken as options in the Diploma program, to the extent they are applicable to the student's degree program at Athabasca University.	
Social Work		Students who complete the two-year programs, Social Service Careers and Applied Social Sciences, in Social Work at Mount Royal College and are admitted to The University of Calgary will be awarded transfer credit for up to five full junior Social Work courses. In addition, they may receive credit for those Arts and Science courses which are applicable to their degree and are indicated in this Transfer Guide.	Credit will be granted for Arts and Science courses which are applicable to the degree and are indicated in this Transfer Guide.	Transfer credit available depending upon individual assessment and degree program entered.

[1] Required core courses: ADMN 1120/1220, 1224, 1230; SECR 1212, 1218. Students should complete at least 3 options from the following: Secretarial—SECR 1281 and one of 1282, 1283, 1285, 1286; 1231 (Forkner); 1156; 1256; Marketing—ADMN 1150; Data Processing—COMP 1160/1161/1287; 1281/1282;1283; SECR 1154; Business Foundations and Accounting—ADMN 1130/1131, 1221/1222, 1227; ECON 2201, 2203.

[2] On the B. Com. Program at the University of Alberta, there is only room for ½ Jr. OPEN elective for any one of these Administration courses.

[3] Students cannot enroll in ADMIN 232 for credit.

[4] Not accepted for credit towards a Bachelor of Commerce degree program at The University of Calgary.

[5] Students who wish to receive credit for STAT 343 at The University of Calgary must pass a diagnostic test administered by the Department of Mathematics and Statistics. Credit towards degree requirements will be allowed for only one of Administration 1261, Engineering 1319, Mathematics 1224/1225, or Psychology 2215, whichever is most appropriate to the degree program.

[6] Grade of "B" or higher and provided the student has not used Biology 30 for matriculation.

[7] Chemistry 1030 and Biology 1110 are acceptable in lieu of Chemistry 30 and Biology 30.

[8] Credit will be allowed for only one of Biology 2201 or 1215.

[9] Not available for credit to students who are required to complete MDSC 200 or ZOOL 370 at The University of Calgary or to Biology majors.

[10] Providing that the student has not used the corresponding Chemistry 30 or French 30 for matriculation.

[11] Chemistry 1212, together with BCEM 341 taken at The University of Calgary, acceptable in lieu of BCEM 340.

[12] CPSC 201 and 257 are not applicable for credit to Computer Science majors.

[13] Students cannot enroll in COMP 203 for credit.

[14] Students cannot enroll in COMP 220 for credit.

[15] Do not take CSC 3670 at The University of Lethbridge.

[16] Transfer students wishing to complete higher-level CPSC courses will note that CPSC 211 at The University of Calgary uses PASCAL.

[17] Students who subsequently complete DRAM 342 (6) at The University of Calgary may not also receive credit for Drama 1216 taken at Mount Royal College.

[18] Students who subsequently complete DRAM 344 (6) at The University of Calgary may not also receive credit for DRAM 1217 taken at Mount Royal College.

[19] Will be considered as Administrative Studies option on the Bachelor of Administration Degree Program.

[20] No more than two half Jr. ENGL (3 credit units each) or one full Jr. ENGL (6 credit units) are transferable.

[21] Maximum of two semester courses will be granted.

[22] Do not take FREN 2300.

[23] Transfer credit for French 1110/1111/2201/2203, German 1110/1111/2205/2207, Latin 1110/1111 or Spanish 1110/1111 will be allowed only if the student does not also present French 30 or 31, German 30 or 31, Latin 30 or Spanish 30 (or equivalent) and does not use these subjects to satisfy matriculation requirements. These courses are not available for credit in the Faculty of Education at The University of Calgary.

[24] Transfer credit is granted providing the student has matriculation and does not present this subject as part of that matriculation.

[25] Credit will be allowed for only one of French 2215 or 2225 and only one of French 2217 or 2227.

[26] Credit for either Interior Design 1152 or 1153, but not both.

[27] Credit for either Interior Design 1250 or 1251, but not both.

[28] Any two will be equivalent to one Jr. REC option, up to a total of three options.

[29] Any two will be equivalent to REC 359 (3).

[30] Students cannot enroll in MATH 265 for credit.

[31] Credit will be granted for one of: Applied Math 1207 or Math 2251 and one of Applied Math 1209 or Math 2253.

[32] Students cannot enroll in MATH 266 for credit.

[33] Faculty of Engineering.

[34] Not available for credit to students who are required to complete MIBI 241 at The University of Calgary or to Biology majors.

[35] Transfer credit is to be granted only for successful completion of the entire group of four courses at Mount Royal College, is applicable only for articulated students, and is conditional on successful completion of NURS 101 at The University of Calgary. Transfer credit will continue to be effective through 1987-88 unless significant changes occur in any of these courses listed from Mount Royal College or The University of Calgary.

[36] Only one year of credit is transferable to the three-year Bachelor of Physical Education degree program at The University of Calgary. This one year of credit may include only one full-course equivalent (6 credit units) of activity courses, of which only a quarter-course equivalent (1.5 credit units) may be at the 300-level (advanced).

[37] Students who subsequently complete PHYS 234 at The University of Calgary may not also receive credit for either Physics 1235 or 1236 taken at Mount Royal College.

[38] Students who subsequently complete POLI 310 at The University of Calgary may not also receive credit for either Political Science 1309 or 1311 taken at Mount Royal College.

[39] Students cannot enroll in POLI 214 for credit.

[40] Students cannot enroll in POLI 309 for credit.

[41] Recommend one unspecified elective credit for 1305, 1315, 1325, 1335, 1345 and 1355 combined.

[42] No more than three half OPEN options (3 credit units each) may be applied towards Post-Basic Bachelor of Nursing degree program.

[43] Three credit units will be allowed if this course was completed prior to 1984 when it carried a weight of 5 credit units at Mount Royal College. Six credit units will be allowed if the course was completed in 1984 or later when it carried a weight of 9 credit units at Mount Royal College.

[44] Recommend credit for one unspecified elective.

[45] Students cannot enroll in PSYC 228 for credit.

[46] No more than two half Jr. PSYC (3 credit units each) are transferable.

[47] Students cannot enroll in MATH 215 for credit.

[48] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed one session of practicum placement in a vocational setting.

[49] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed one session of practicum involvement.

[50] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed one session of practicum placement in a residential setting.

[51] Do not take RELST 2710 (6).

[52] For admission to the Faculty of Education, a grade of "C" or better in EDTS 231 is required.

Until this review is finalized, students who successfully complete any of these courses may apply for transfer credit on an individual basis.				

[1] Applicants may be required to submit a letter of recommendation from the appropriate NAIT Dean.

[2] Individual courses for which credit will be given must have a grade of at least 75%. In those cases in which a single University of Calgary credit is appropriate for two or more NAIT courses, the average grade in the relevant NAIT courses must be at least 75%. Normally, the cumulative GPA must be at least 75% also. In special cases, credit for individual courses will be given although the cumulative GPA is below 75%.

[3] While NAIT engineering technology courses are not directly equivalent to university engineering courses, the Faculty of Engineering is prepared to grant up to one year of credit to students of superior ability (Honours diploma). Normally the recommendation of the NAIT Dean, and a personal interview with the University of Alberta Dean of Engineering, are also required.
Students intending transfer must show competence in mathematics equivalent to University of Alberta MATH 212/213, before proceeding to the second year Engineering program.

[4] The Faculty of Engineering will grant the appropriate advanced standing to graduates of programs of technology provided that:
i) the applicant is admissible to the Faculty of Engineering.
ii) the applicant has an Honours Diploma.

[5] Students who have successfully completed a two-year science diploma at NAIT will be admitted by the Faculty of Science and granted up to one years' credit toward a related B.Sc. degree program. Prospective students should apply to the Office of The University of Alberta Dean of Science.

[6] Students who have successfully completed a two year diploma program in an appropriate area may receive advance standing toward a B.Ed. in Industrial Arts. Prospective candidates should consult with the Chairman, University of Alberta Department of Industrial and Vocational Education.

[7] There is a quota that limits the number of students admitted to the B.Com. program each year. Prior academic performance in appropriate subjects (including Math 30 or equivalent) is the primary criterion used to select the applicants to be admitted.

[8] Credit for AT 110 in Clothing and Textile Program, Faculty of Home Economics only.

[9] Do not take GEOG 3710.

[10] Minimum academic standing indicated relates to U. of A. course credit.

[11] Admission to the Bachelor of Commerce program is open to students transferring from related NAIT programs. There is a quota that limits the number of students to the B. Com. program each year. Prior academic performance in appropriate subjects (including Math 30 or equivalent) is the primary criterion used for the applicants to be admitted.

[12] Maximum mark of 70%.

[13] Do not take STAT 1770.

[14] Do not do CMPUT 261.

[15] If graduation from Dental Assisting is more than 24 months prior to enrolment in Dental Hygiene Program, credit is granted upon successful examination challenge.

[16] Student is given the option to challenge examination in D HYG 240.

[1] All programs listed under the University of Alberta were designed originally for transfer to that institution. For information about transfer to other institutions, and the conditions governing program transfer, students should consult the College registrar.

[2] The following programs are transferable to the corresponding out-of-province institutions:

RED DEER COLLEGE	
Pre-Chiropratic	Canadian Memorial Chiropratic College — 1st & 2nd years
Pre-Optometry (B.Sc.)	University of Waterloo — 1st year
Pre-Vet-Medicine (B.Sc.)	University of Saskatchewan — 1st & 2nd years

[3] Required core courses are: ACCT 202, 204, Business 214, 311, Sec Sci 111, 210. Students may complete up to 4 options from the following: Secretarial — Sec Sci 101, 120 (Forkner or Speed Writing only), 130, 201, LDM 201; Marketing — Bus Adm 132, 240/241; Data Processing — Acct 209, 210, Bus 260/261, Econ 201, 202.

[4] No credit if student also presents ANTHR 275 or equivalent.

[5] Not accepted for credit towards the Bachelor of Fine Arts (Art), the Bachelor of Fine Arts (School Art), or the Bachelor of Art (Art History) degree programs at The University of Calgary.

[6] Credit approved only if student has also completed another 300-level studio course.

[7] Students with credit in either Botany 205 or Zoology 220 and without credit in Biology 200 will be required to complete BIOL 201 at The University of Calgary before any other major courses may be taken in the Department of Biology.

[8] Not accepted for credit towards a Bachelor of Commerce degree program at The University of Calgary.

[9] Students cannot enroll in ORGB 364 for credit.

[10] Credit towards degree requirements will be allowed for only one of Business Administration 111, Business 306/307, Psychology 309, or Statistics 241 or 255, whichever is most appropriate to the degree program.

[11] STAT 1770 waived for B.Mgt. students.

[12] Students who are not Computer Science majors may receive credit for only one of CPSC 201 or ENGG 213. CPSC 201 and ENGG 213 are not applicable for credit to Computer Science majors.

[13] May be used to meet the 3 Junior credit Computing Science core requirement on the Bachelor of Administration program.

[14] Students cannot enrol in MATH 215 for credit.

[15] Double credit for Computing Science 272 and any one of MATH 271, CPSC 313 or CPSC 321 at The University of Calgary will not be permitted.

[16] All Drama and Music courses at Red Deer College are transferable only to the B.A. (General) and B.A. (Special) programs at the University of Alberta.

[17] Students may receive a maximum of two full-course equivalent credits from among Drama 205, 303, 305, 306, 307, 308 and 315.

[18] Students who subsequently complete DRAM 342 or 344 at The University of Calgary may not also receive credit for Drama 304 taken at Red Deer College.

[19] A student wishing to enter U of A DRAMA 560 after credit in Red Deer College Drama 460 must submit a portfolio with a 30-minute radio play, stage play, film script, and video script for evaluation by Department of Drama.

[20] Credit will be allowed for only one of Economics 100 and 201 and only one of Economics 101 and 202.

[21] Students cannot enroll in ECON 247 for credit.

[22] Students cannot enroll in ECON 246 for credit.

[23] Will be considered as Administrative Studies option on the Bachelor of Administration Degree Program.

[24] Must include a minimum of 60 hours.

[25] For Education students only. The movement requirements may be waived.

[26] Students cannot enroll in PSYCO 228 for credit.

[27] Credit not granted if students have credit in ENGL 304, 305, 306 or 398.

[28] Credit will be allowed for only one of English 339 or 341/343.

[29] Not to do ENGL 350 or 351.

[30] Not to be taken by students with credit in ENGL 361 or 380.

[31] Not to be followed at U of A by ENGL 360.

[32] Transfer credit for Biology 130 and French 100 at The University of Calgary and for French 100 at The University of Lethbridge will be allowed only if the student does not also present the equivalent senior matriculation subject. These courses are not available for credit in the Faculty of Education at The University of Calgary.

[33] Not to do HIST 201 (6).

[35] Credit will be allowed for only one of Mathematics 202, 203 and 212.

[35] Credit will be allowed for only one of Mathematics 202, 203, 212 or 240.

[36] Credit will not be granted for both Mathematics 204 and 213.

[37] Faculty of Engineering courses.

[38] Credit will be allowed for only one of Mathematics 221 or 243.

[39] Do not take MATH 3450.

[40] Not to be given transfer credit to B.Sc. programs in the Faculty of Science.

[41] Do not take MATH 3400.

[42] Credit for MUSI 251, 253, 351 and 353 is dependent upon successful completion of the student's placement test with The University of Calgary. Credit for unassigned Music options may be allowed in other cases. However, such credit will not be awarded to Music majors or Music minors. Students who subsequently complete MUSI 251, 253, 351 or 353 at The University of Calgary may not also receive credit for the corresponding Music course(s) taken at Red Deer College.

[43] PHIL 2120, 2130 or 3110 should not be taken at The University of Lethbridge except by special permission.

[44] Only one year of credit is transferable to the three-year Bachelor of Physical Education degree program at The University of Calgary. This one year of credit may include only one full-course or equivalent (6 credit units) of activity courses, of which only a quarter-course equivalent (1.5 credit units) may be at the 300-level (advanced).

[45] Credit will be allowed for PHED 263 (3) and a Jr. PHED option (3) if both Physical Education 201 and 206 completed.

[46] Not to do PHYS 205.

[47] Credit will be allowed for only one of Physics 203 or 205. Transfer credit will be granted regardless of high school Physics background.

[48] The Faculty of Engineering will grant credit as listed above. For students transferring into other faculties, course equivalents appropriate to the student's program will be determined by the Faculty of Science.

[49] Course equivalents may vary depending on the student's program.

[50] Students cannot enrol in POLI 214 for credit.

[51] Not to do POL S 310 (6).

[52] Credit will be allowed for only one of Political Science 308/309 or 310.

[53] Credit will be allowed for only one of POL S 200, 320 or 321.

[54] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed a minimum of 104 hours of practicum placement in a family or residential setting.

[55] Letter required from Coordinator, Rehabilitation Services Program indicating that student has successfully completed a minimum of 104 hours of practicum placement in a vocational setting.

[56] Students cannot enrol in SOC 316 for credit.

[57] Not accepted for credit towards Bachelor of Commerce degree.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION
RED DEER COLLEGE	**SAIT**

BY PROGRAM

Biological Sciences Technology[1] and Chemical Technology	Students who have successfully completed all courses of the Red Deer College transfer program will be granted credit for Year One and will be accepted into Year Two of the corresponding NAIT Program. Those students who have not completed all courses of Year One at Red Deer College may be accepted as special students upon a written recommendation from the College. A personal interview may also be required.

[1] Students entering the Ecology option shall make up a deficiency in specific Physical Education courses during Year Two.

Southern Alberta Institute of Technology

Transfer Arrangements to Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION				
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	**U OF A**	**U OF C**	**U OF L**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**
BY PROGRAM					
PRE-CAREERS PROGRAM		Provided all courses are presented, PALG 001/002/003/ PGEOM 001/ PTRIG 002/ PCSXN 003 are acceptable in lieu of Mathematics 30. PSCI 001/PMEAS 002/ PELEC 002/ PHEAT 002/ PMECH 003/ PSND 003 are acceptable in lieu of Physics 30; all 6 courses must be presented.			
TECHNOLOGY PROGRAMS		FACULTIES OF GENERAL STUDIES AND OF SCIENCE[1] Credit up to a maximum of five full-course equivalents depending on program and grades. Individual courses for which credit will be given must have a grade of at least "B". In those cases in which a single University of Calgary credit is appropriate for two or more SAIT courses, the average grade in the relevant SAIT courses must be at least 2.5. Normally, the cumulative GPA must be at least 2.5 also. In special cases, credit for individual courses will be given although the cumulative GPA is below 2.5.			Credit is granted on a course by course basis for courses indicated in this Guide that are appropriate to the student's degree program at Camrose.

[1] In addition to submitting transcripts from SAIT, applicants may be required to submit a letter from SAIT recommending that advanced credits be awarded.

[2] a. A student who has an Honors Diploma in one of the engineering technologies may be granted up to one year of credit by the Faculty of Engineering, the University of Alberta, subject to the following:
   i) In a branch of engineering where his technology diploma is considered as appropriate background education, the student must show competence in mathematics equivalent to that of MATH 212/213 or else gain credit in MATH 212/213 in the 3rd and 4th terms.
   ii) In a branch of engineering where his technology diploma is not considered as appropriate background education, the student may have to show competence in, or gain credit in, either first and/or second term courses in addition to mathematics.

b. In exceptional cases a student who has a Diploma, but not an Honors Diploma in one of the engineering technologies of SAIT, may be considered for admission to the third term on the same basis as a student with an Honors Diploma when so recommended by the Academic Vice-President of SAIT. Advanced credit in individual subjects may be granted on the basis of the recommendation of The University of Alberta department offering the course.

c. Petroleum Technology Graduates: A student who has qualified for a Diploma in Petroleum Technology may be granted two-year credit by the University of Alberta in the Petroleum Engineering option subject to the following conditions:
   i) The student completes the equivalent of MATH 212/213.
   ii) The student obtains a 3.25 G.P.A. in second year.
   iii) The student works one year before attending the University of Alberta.
   iv) The Petroleum Department recommends the student.

[3] Faculty of Engineering, University of Calgary, will grant appropriate credits to graduates of programs of technology provided that:
   i) The applicant is admissible to the Faculty of Engineering or is recommended by SAIT.
   ii) The applicant's cumulative GPA is a minimum of 2.5.

[4] Graduates of most two-year diploma programs who receive GPA's of 2.5 may receive credit toward a B.Ed. Degree in Industrial Arts. The prospective candidate should consult with the Chairman, Department of Industrial and Vocational Education.

[5] Average of "B-" or better on all 3 SAIT courses is required.

[8] Students cannot enrol in ACCTG 254 for credit.

[7] Will be considered as Administrative Studies option on the Bachelor of Administration Program.
[8] Average of "B-" or better on both SAIT courses is required.
[9] May be used to meet the 3 Junior credit Computing Science core requirement on the Bachelor of Administration Program.
[10] Students cannot enrol in MATH 244 for credit.
[11] Not applicable for credit towards the Bachelor of Commerce degree program at The University of Calgary.
[12] Students cannot enrol in MATH 215 for credit.
[13] Students cannot enrol in MKTG 398 for credit.
[14] Minimum average of "B".
[15] "L" indicates Laboratory course.
[16] See Dental Assisting Program page 120.
[17] Challenge credit opportunity available to SAIT graduates.
[18] Minimum mark of "B".
[19] Prerequisite of PHYS 205 to be cleared prior to granting credit.
[20] Prerequisite of GEOL 310 to be cleared prior to granting credit.
[21] Prerequisite of GEOL 420 or 421, 444 and 460 to be cleared prior to granting credit.
[22] Prerequisite of GEOL 444 and 460 to be cleared prior to granting credit.
[23] Prerequisite of GEOL 320 and 362 to be cleared prior to granting credit.

Transfer Arrangements to Non-Degree-Granting Institutions

SENDING INSTITUTION	RECEIVING INSTITUTION
SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY	NAIT

BY PROGRAM

Health Record Technician Program	Graduates of the SAIT Health Record Technician Program will be granted credit for Year One and will be accepted into Year Two of the NAIT Health Record Technology Program. Those students who have not completed all courses of the Health Record Technician Program may be accepted as special students upon a written recommendation from SAIT. A personal interview may also be required.

Appendix: International Baccalaureate

The International Baccalaureate Program was developed and sponsored by the International Baccalaureate Office, a Swiss Foundation with headquarters in Geneva. This office is represented in Canada and the United States by the International Baccalaureate North America Office, a non-profit corporation headquartered in New York City. Some high schools in Alberta offer part or all of the International Baccalaureate Program. Students who have completed part or all of the International Baccalaureate Program may apply for advanced credit through individual assessment upon admission to a post-secondary institution. More detailed information is available from the Office of the Registrar at each institution.

Advanced credit arrangements are in effect at the degree-granting institutions listed in the following table.

	RECEIVING INSTITUTION			
INTERNATIONAL BACCALAUREATE COURSES[1]	**U OF A**	**U OF C**	**ATHABASCA UNIVERSITY**	**CAMROSE LUTHERAN COLLEGE**
Art & Design	At press time all International Baccalaureate courses are being evaluated by the University of Alberta. For up-to-date information, contact the Registrar's Office.			Courses that are acceptable for transfer to one or more of the 4 Alberta universities will normally be transferable to Camrose Lutheran College, if appropriate to the student's degree program.

[1] In order to receive advanced credit for an International Baccalaureate course, the minimum acceptable grade is a "4" at Athabasca University, Camrose Lutheran College and The University of Calgary.

[2] Students cannot enroll in CHEM 217 or 218 for credit.

[3] Higher level only.

IV. COUNCIL PRINCIPLES, POLICIES AND PROCEDURES

A. CONTEXT

1. Role and Composition

The primary goal of the Alberta Council on Admissions and Transfer is to provide leadership and direction in the improvement and enlargement of educational opportunities for Alberta students through inter-institutional transfer. Implicit in this goal is a commitment to improve communication among institutions of the Alberta post-secondary system, and thus to promote the advantages of a system of education, with all that this means for economy and efficiency in educational planning.

In the fulfillment of its role, the Council is engaged in the following activities:

(a) **leadership** — including the development and formulation of policies and procedures whereby transfer credit for courses and programs may be negotiated.

(b) **publication** — primarily the production and distribution of a yearly Transfer Guide listing all transfer credit arrangements for courses and programs within the Alberta post-secondary system, together with statements of relevant policies and procedures, and other documents such as an Annual Report.

(c) **mediation** — as requested by institutions within the system, to resolve complaints or disputes concerning transfer arrangements and credits, and thus to ensure that the best interests of students are served.

(d) **applied research** — on matters related to the transfer of students throughout the system.

The fourteen member Council which is appointed by the Minister of Advanced Education is an independent body which reports annually to the Minister. The Council membership includes the Chairman, two members of the public, two student members, three members nominated by the Universities Co-ordinating Council, three members nominated by the Council of College and Technical Institute Presidents, one member from the provincially administered institutions one member nominated by the hospital boards that operate schools of nursing, and one member nominated by the Private Colleges Co-ordinating Council. Administrative support, including service of an Executive Assistant, is supplied by the Department of Advanced Education.

The Alberta Council on Admissions and transfer usually meets on a monthly basis, generally at institutions.

2. Overview of the post-secondary system

The Council's activities are directed primarily towards the Alberta post-secondary system, which includes four universities, The Banff Centre, eleven public colleges, three institutes of technology, four Alberta vocational centres, the community vocational centres, private colleges, and hospital schools of nursing (see chart, p. ii). There are, in addition, a number of private non-affiliated institutions, some of which may offer courses which have transfer potential. Although the Council's mandate is directed towards the Alberta post-secondary system, the Council is sensitive to student transferability involving institutions outside of the province. For this reason the Alberta Transfer Guide is distributed broadly across Canada as well as in the United States.

3. Types of transfer

Within the system of post-secondary institutions, transfer of credit for courses or programs may occur among institutions within a sector (for example, between public colleges) or among institutions of different types (for example, from a vocational centre to a college). Transfer arrangements published in the Alberta Transfer Guide include courses and programs transferable to degree-granting institutions and those transferable to non-degree-granting institutions.

4. Definitions of terms

In dealing with matters relating to transfer, there are several commonly used terms which may require clarification. Some of the more important are:

Accessibility: the degree of openness of institutions to students seeking admission to their programs.

Transferability: the mobility of students among post-secondary institutions by virtue of their having transfer credit (see below).

Advance credit: the award of credit in given courses or programs on the basis of formal and informal learning experiences including: 1) work experience, 2) maturity/life experience, 3) unstructured educational experiences such as self-study, 4) structured educational activity.

Transfer credit: an advance credit awarded on the basis of successful completion of structured educational activities at a post-secondary institution.

Receiving institution: an institution to which students transfer course or program credits acquired at another institution.

Sending institution: an institution from which students may transfer course or program credits to programs at another institution.

Transferable courses: courses developed by an institution to meet its own program objectives but which have transfer potential. Transfer may be negotiated either on the basis of equivalence or of relevance to programs or courses at another institution. (See page 127).

Transfer courses: courses delivered by a sending institution as courses which correspond in description to courses of a particular institution. (See page 127).

Selection criteria: categories of qualification, capabilities, or experience (academic or other) which provide the basis for screening and admission (or rejection) of students to programs.

Affiliation: a formal agreement of association or co-operation between two institutions whereby some courses and programs offered by the sending institution are substantially the same as those offered by the receiving institution. Transfer credit is thereby awarded. Affiliation agreements are in effect between several private colleges and the University of Alberta.

B. PRINCIPLES

The Council endorses the following as basic to its purpose and activities:

(a) **Student access to higher education and the opportunity for student mobility among institutions of higher education in Alberta shall be optimized.**
Barriers to student mobility shall be minimized. The integrity of educational programs and certification must, however, be maintained. A student should not be required to repeat previous learning experiences in which competence has been demonstrated nor should more transfer credit be granted than previous learning experiences would warrant for successful completion of the program.

(b) **Negotiation of opportunities for student mobility shall be based on the recognition that while learning experiences may differ in a variety of ways, their substance may be virtually equivalent in terms of content and rigour.**
Insofar as possible, transfer arrangements should allow for maximum recognition of previous learning experiences. The concept of **virtual equivalence** is vital to such arrangements.

(c) **Effective career counselling and optimum mobility require that the student have prior knowledge of at least the minimum transfer credit which can be awarded. Additional transfer credit may be negotiable on an individual basis.**

(d) **Although responsibility for higher education is shared among various constituents, individual institutions have the primary responsibility for instructional programs. This responsibility includes program design and delivery, determination of academic prerequisites and student admission criteria, and certification of the academic achievement of students.**
In respect of student access to institutions and programs, it is to be emphasized that factors in addition to academic prerequisites often are employed as admission criteria. That is, while possession of academic prerequisites makes an applicant eligible for admission, it does not **guarantee** admission to an institution or to a particular program.

(e) **Institutions have the responsibility and the prerogative to investigate the total educational preparation of applicants seeking admission.**
Such investigation is intended to determine admissibility and appropriate transfer credit, and to counsel applicants. The relevance and quality of the applicant's most recent educational experiences should be the basis for admissibility and for transfer decisions. Differences in earlier preparation should not adversely affect consideration of the applicant (see Principle "b" re **virtual equivalence**).

(f) **Students who are granted admission to an institution under a transfer arrangement shall be granted the same rights and privileges as students who began their studies at the institution.**

C. A POLICY FOR ADMISSION AND TRANSFER OF CREDIT AMONG ALBERTA POST-SECONDARY INSTITUTIONS

1. Admission

Admission to a course or program will be granted to any applicant who has fulfilled the admission requirements for such course or program as established by the receiving institution. Where selection procedures are involved in admission to a program, each applicant shall be treated on the same basis as any other person seeking admission to that program.

In the case of students transferring from public colleges and technical institutes to degree-granting institutions, in lieu of the general admission requirement listed above, admission will be granted to any applicant who, upon successful completion of at least a full year's study at the sending institution, is recommended in writing by that institution as having satisfied the **appropriate** matriculation requirements or their equivalent. This is referred to as the Letter of Recommendation admissions category.

2. Transfer of credits

Subject to the above requirements there shall be two major transfer arrangements.

(a) Transferable courses and programs:

These are developed by a sending institution to meet its own program and objectives, and bear its own numbers and descriptions. Transfer may be negotiated either on the basis of equivalence, or of relevance. The principle of **equivalence** refers to courses and programs of the sending institution which are identical or similar to those of the receiving institution. The principle of **relevance** refers to courses of the sending institution which are in the same areas or disciplines and at the levels of programs offered by the receiving institution, and are therefore appropriate for credit at the receiving institution.

Credits awarded in this category may involve special inter-institutional arrangements or individual assessment.

(b) Transfer courses and programs:

These are delivered by a sending institution as courses and programs which correspond in description to those of the receiving institution.

Among degree-granting institutions, transfers are assessed on an individual basis by the receiving institution. Consequently, course equivalents between degree-granting institutions are not listed in the Transfer Guide.

D. PROCEDURES FOR TRANSFER OF CREDIT AMONG ALBERTA POST-SECONDARY INSTITUTIONS

To facilitate the negotiation of transfer arrangements among post-secondary institutions, the Council has established the following set of procedures.

Objective

These procedures are designed to provide a mechanism for the negotiation of transfer and transferable courses and programs, and for their inclusion in the Alberta Transfer Guide.

Categories

Courses and programs proposed for transfer credit are of two main types, each of which involves a different relationship between the sending and the receiving institution.

1. Transferable Courses/Courses with Transfer Potential

In negotiations of transfer credit for transferable courses, the sending institution shall supply the receiving institutions with the following information: (a) course description, title, grading practices, weighting and outline, (b) textbooks and other resource materials, (c) qualifications required for an instructor. Additional information may be required at stated intervals for review purposes, or at the discretion of the receiving institutions.

2. Transferable Courses/Courses in Transfer Programs

In negotiations of transfer credit for transfer courses, the sending institution shall supply the receiving institution with the following information: (a) course description, (b) textbooks and other resource materials, (c) qualifications required for an instructor.

Transfer credit is based on initial negotiations, when the course is first offered by the sending institution. Subsequent negotiations and concurrence of the receiving institution are required where, in the view of the receiving institution, course revisions by the sending institution are sufficiently substantial to affect the transfer credit which has been negotiated.

Procedures

1. Each institution shall identify a contact person (e.g. Registrar or Admissions Officer) who will be responsible for both internal and external distribution of formal transfer proposals and responses.

2. Each institution shall, through its contact person, maintain and provide on request from other institutions (a) a list of other important institutional contacts for the purpose of facilitating appropriate preliminary discussions, and (b) a description of the internal procedures followed in the institution for the development and/or evaluation of proposals for transfer arrangements.

3. It is expected that proposals for credit will be processed as expeditiously as possible and formalized by means of the Council's Transfer Credit Proposal Form. If the transfer proposal is acceptable, the receiving institution will inform the other institutions in the system accordingly. The transfer normally will be honoured within the sub-system of which the receiving institution is a constituent.

4. If the transfer proposal is not acceptable, the receiving institution shall supply in writing, to the sending institution, the reason for this decision.

5. In the event that agreement has not been reached pursuant to (3) and (4), an institution may submit to the Council a written request for mediation. Where, in its opinion, the Council determines that a dispute concerning transfer exists, the Council may mediate to resolve the dispute.

6. In the event that the agreement cannot be reached pursuant to (5), the institutions in dispute may agree to submit the dispute to Council for arbitration. The Council will then establish procedures for the resolution of the dispute, and issue its decision resolving the dispute. The arbitration decision of the Council shall be final and without appeal or review.

7. Transfer arrangements are to be regarded as relatively enduring bilateral agreements — to be altered, amended or deleted only after **mutual consultation.** Regular discussion of existing transfer arrangements should take place between sending and receiving institutions. Any institution planning program or course changes which could bear on existing transfer arrangements as recorded in the Alberta Transfer Guide shall, insofar as possible, inform those institutions which would be primarily affected - subject, where necessary, to renegotiation. In cases where renegotiation of a transfer agreement is requested by either a sending or a receiving institution, the onus is on the institution requesting the change to provide the other institution with **sufficient notice** and lead-time to permit renegotiation before the next edition of the Transfer Guide.

8. Renegotiation of transfer arrangements is subject to the same guidelines as for the initial negotiations (i.e., 3-6).

9. When a new argreement has been negotiated, it replaces the old agreement in the next edition of the Transfer Guide.

E. INSTITUTIONAL REQUIREMENTS

Within the context of policies and procedures of the Alberta Council on Admissions and Transfer, each institution has particular requirements and practices for admission of students and the award of transfer credit. These institutional requirements are summarized in Section II of the Transfer Guide. Students who are planning to transfer are advised to refer to the appropriate institutional calendar and to consult with the Registrar's Office at the receiving institution.
